Olomouc

From Wikipedia, the free encyclopedia

Olomouc (Czech: [ˈolomou̯ts]; locally *Holomóc* or *Olomóc*; German: *Olmütz*; Latin: *Olomucium* or *Iuliomontium*; Polish: *Ołomuniec* [ɔwɔˈmuɲɛʦ]) is a city in Moravia, in the east of the Czech Republic. Located on the Morava River, the city is the ecclesiastical metropolis and historical capital city of Moravia. Today it is an administrative centre of the Olomouc Region and sixth largest city in the Czech Republic. The city has about 100 154 residents, and its larger urban zone has a population of about 480,000 people.^[1]^{*[citation needed]*}

Olomouc

From Wikipedia, the free encyclopedia

Olomouc (Czech: [ˈolomou̯ts̩]; locally *Holomóc* or *Olomóc*; German: *Olmütz*; Latin: *Olomucium* or *Iuliomontium*; Polish: *Ołomuniec* [ɔwɔˈmunɛʦ]) is a city in Moravia, in the east of the Czech Republic. Located on the Morava River, the city is the ecclesiastical metropolis and historical capital city of Moravia. Today it is an administrative centre of the Olomouc Region and sixth largest city in the Czech Republic. The city has about 100 154 residents, and its larger urban zone has a population of about 480,000 people.^[1]^{*[citation needed]*}

Prehistory [\[edit \]](#)

Olomouc is said to occupy the site of a Roman fort founded in the imperial period, the original name of which, *Iuliomontium* (Mount Julius), would be gradually corrupted to the present form. Although this account is not documented except as oral history, archaeological excavations close to the city have revealed the remains of a Roman military camp dating from the time of the Marcomannic Wars of the late 2nd century.

We promised you an historical city...

We promised you an historical city...

Marie Joseph de Lafayette

The famous French general Marquis de La Fayette was imprisoned on May 19th 1794 in Olomouc in the so-called Jesuit barracks-prison (now the building of the Military Administrative Archive on the Republic Square). There is a memorial plaque commemorating the 200th anniversary of the departure of the General from Olomouc placed on the Archive's building.

Prospect der k. k. Haupt-Stadt und k. k. Festung Olmütz, inmaligen, wie solche von morgen an zu sehen ist.

...Quark?

Etymology [\[edit \]](#)

For some time, Gell-Mann was undecided on an actual spelling for the term he intended to coin, until he found the word *quark* in [James Joyce's](#) book *Finnegans Wake*:

--Three quarks for Muster Mark!
Sure he hasn't got much of a bark
And sure any he has it's all beside the mark.

— James Joyce, *Finnegans Wake*^[49]

...Quark?

Quark (dairy product)

From Wikipedia, the free encyclopedia

*"Curd cheese" redirects here. It is not to be confused with [cheese curd](#).
For other uses, see [Quark \(disambiguation\)](#).*

Quark is a type of fresh dairy product, common in the cuisines of German-speaking countries (Germany, Austria, Switzerland), northern Europe (Denmark, Estonia, Finland, Latvia, Lithuania, Norway, Sweden), the Netherlands,^{[1][2][3]} Hungary, Albania, Israel, of Slavic peoples (e.g. Czechs, Slovaks, Poles, Russians, Ukrainians and Belarusians and Serbs), and of Ashkenazi Jews.^[4] It is made by warming soured milk until the desired degree of curdling is met, and then straining it.^[5] It can be classified as fresh acid-set cheese,^[6] though in some countries it is traditionally considered a distinct fermented milk product.^[7] Traditional quark is made without rennet, but in some modern dairies rennet is added.^[8] It is soft, white and unaged, and usually has no salt added.

Dictionaries usually translate it as **curd cheese**, **cottage cheese** or sometimes **farmer cheese**. In Germany, quark and cottage

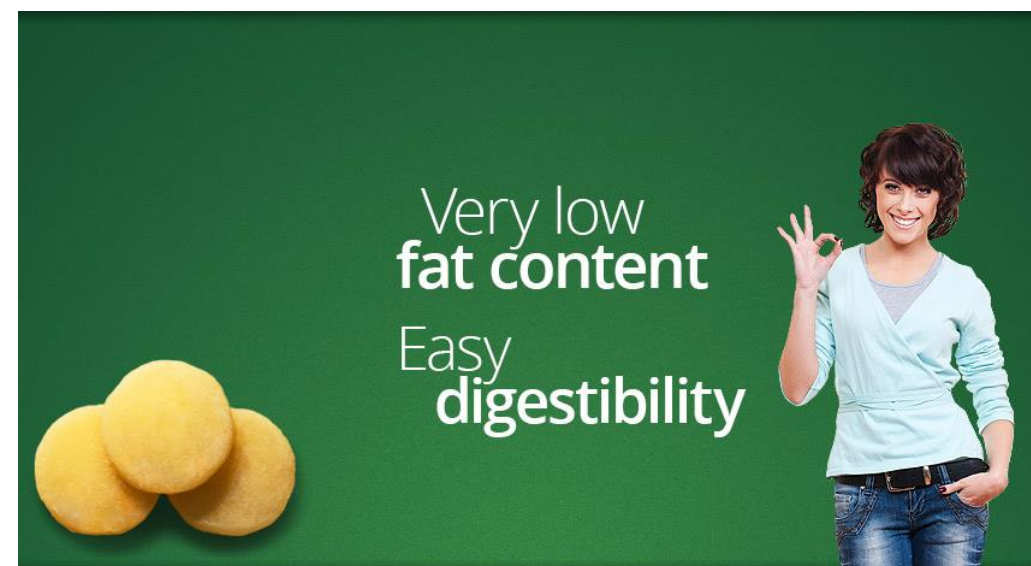

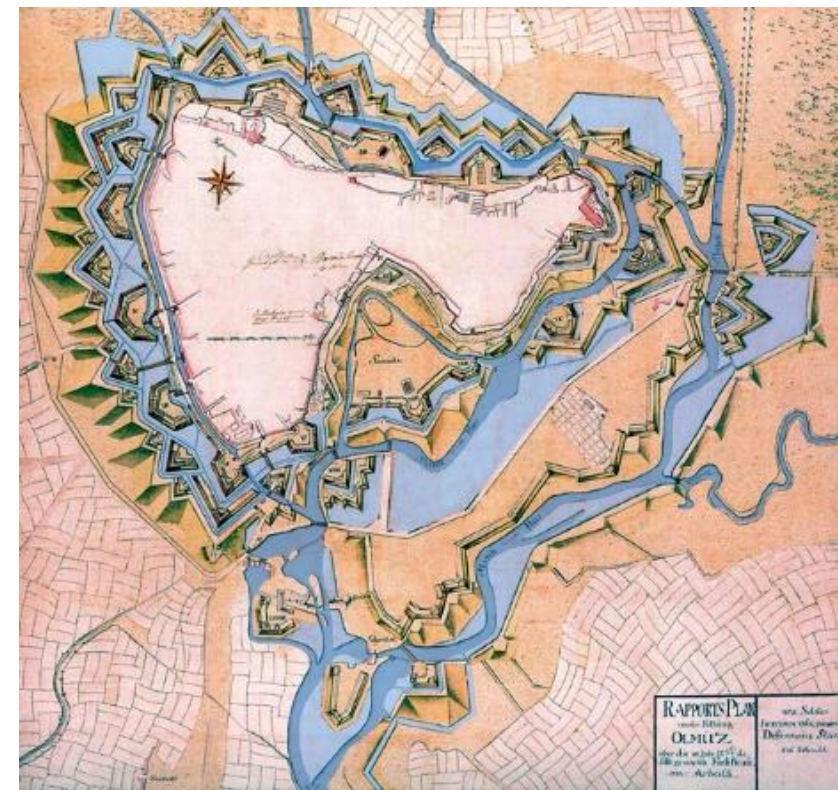

German skimmed milk quark with creamy and somewhat crumbly texture

Russian tvorog / Ukrainian syr, a firmer variety of quark

Strong Quark City!

Very low
fat content

Easy
digestibility

Of course, in reality, quarks come in flavours...

Today

08:00 → 09:00	Registration	🕒 1h 📍 1st floor (NH hotel, Olomouc)
09:00 → 09:15	Welcome and Keynote: Welcome	📍 Main Auditorium EVROPA (N...) ✎
09:00	Welcome and Practical Information by Local Organizers Speaker: Jiri Kvita (Palacky University (CZ)) Twitter #topq2016	🕒 5m ✎
09:05	Official Welcome by Rector of the Palacky University Prof. Mgr. Jaroslav Miller, M.A., Ph.D.	🕒 10m ✎
09:15 → 10:00	Welcome and Keynote: Keynote Conveners: Stefano Pozzorini , Antonio Onofre (LIP/Universidade do Minho)	📍 Main Auditorium EVROPA (N...) ✎
09:15	The Keynote Talk Speaker: Andreas Weiler (Technische Universitaet Muenchen (DE))	🕒 35m ✎
10:00 → 10:30	Latest results from ATLAS and CMS Conveners: Antonio Onofre (LIP/Universidade do Minho) , Stefano Pozzorini	📍 Main Auditorium EVROPA (N...) ✎
10:00	Latest results from ATLAS Speakers: Claudia Gemme (Universita e INFN Genova (IT)) , Claudia Gemme (Universita degli Studi di Genova Dipart. di Fisica) Top2016_Gemme_...	🕒 20m ✎
10:30 → 11:00	Coffee break	🕒 30m

Today

10:30 → 11:00	Coffee break	🕒 30m
11:00 → 12:30	Latest results from ATLAS and CMS Conveners: Rebeca Gonzalez Suarez (University of Nebraska-Lincoln (US)) , Frederic Deliot (CEA/IRFU,Centre d'etude de Saclay Gif-sur-Yvette (FR))	📍 Main Auditorium EVROPA (N...) 
11:00	Latest results from CMS Speaker: Jose Enrique Palencia Cortezon (Universidad de Oviedo (ES))	🕒 20m 
11:30	Physics objects for top physics In ATLAS Speaker: Richard Hawkings (CERN) 	🕒 20m 
12:00	Physics objects for top physics In CMS Speaker: Dr. Jyothsna Rani Komaragiri (Indian Institute of Science (IISc) & University of Malaya (MY))	🕒 20m 
12:30 → 14:00	Lunch	🕒 1h 30m
