

European Cryogenics Days, academia meets industry on developments in cryogenics

Thursday 9 June 2016

Cryogenics for detectors (chairperson: Shrikant Pattalwar) - 503/1-001 - Council Chamber (14:00 - 15:45)

time	[id] title	presenter
14:00	[5] Operation of cryogenics for LHC detectors: what did we learn?	WAGNER, Udo
14:30	[6] GReC experiment : probing ultra high-intensity turbulence	Dr ROCHE, Philippe-E.
14:50	[7] Cryogenics of the ESS target	Mr JURNS, John
15:10	[8] Membrane cryostats for large volume neutrino detectors	Mr PELLÉ, Jérôme
15:30	[9] Questions and Answers
