

# European Cryogenics Days, academia meets industry on developments in cryogenics

## Thursday 9 June 2016

**Accelerator cryogenics (chairperson: Laurent Jean Tavian) - 503/1-001 - Council Chamber (11:00 - 12:45)**

time	[id] title	presenter
11:00	[0] LHC machine operation: what did we learn?	Mr FERLIN, Gerard
11:30	[1] Wendelstein-7X: first experience with cryogenic system	Dr DHARD, Chandra Prakash
11:50	[2] Refrigerator and recirculator system for U.S. ITER central solenoid module fabrication program	Mr BLUM, Lars
12:10	[3] Dynamic simulations: a useful tool for cryogenic installations	BRADU, Benjamin
12:30	[4] Questions and Answers
