

# 6th Asian Triangle Heavy Ion Conference

## Wednesday, 17 February 2016

### Session 12: Fluctuations and Correlations - Conference Hall 1 (16:10 - 17:30)

-Conveners: Shakeel Ahmad

time	[id] title	presenter
16:10	[44] Evolution of temperature fluctuation in a thermal bath and, its implications in hadronic and heavy-ion collisions	Dr GARG, Prakhar
16:30	[51] Scaling properties of charged particle multiplicity fluctuations in transport model	SHARMA, Rohni
16:50	[38] Intermittency analysis as a measure of multiplicity fluctuations in Pb-Pb collisions at LHC Energies	KHAN, M. Mohsin
17:10	[19] Entropy scaling and thermalization in relativistic and ultra-relativistic heavy-ion collisions	KHAN, Shaista
