

6th Asian Triangle Heavy Ion Conference

Monday, 15 February 2016

Student Day Session 1 - Multi Purpose Hall (09:30 - 13:00)

-Conveners: Bedangadas Mohanty

| time | [id] title | presenter |
|-------|---|-----------------------------|
| 09:30 | [14] Study QCD phase structure in high-energy collisions | XU, Nu |
| 11:00 | Tea Break | |
| 11:30 | [15] QCD and its application hot and dense matter created in heavy-ion collisions | Prof. GOLAM MUSTAFA, Munshi |
