EuCARD-2 3rd Annual Meeting

EuCARD-2, the largest collaborative accelerator R&D project in Europe is organizing its 3rd Annual Meeting on 26-28 April 2016, hosted by the University of Malta (UoM) in Valletta, Malta.

The meeting will review the status of R&D in Europe and will report the progress and activity of the EuCARD-2 work packages in fields as varied as high field magnets, advanced collimation materials, innovative radio-frequency technologies, novel accelerator concepts, accelerator applications, energy efficient accelerators, new accelerator designs and paths to improving performance for existing accelerators.

EuCARD-2 is co-funded by the partners and the European Commission under Capacities 7th Framework Programme, Grant Agreement 312453.
