- Philosopher

Thorium Bob  
take a look at your life,  
you're a lot like  
the entropy of the Universe.

Bob as a tribal elder:  
Mr. Soul

# Neil Young

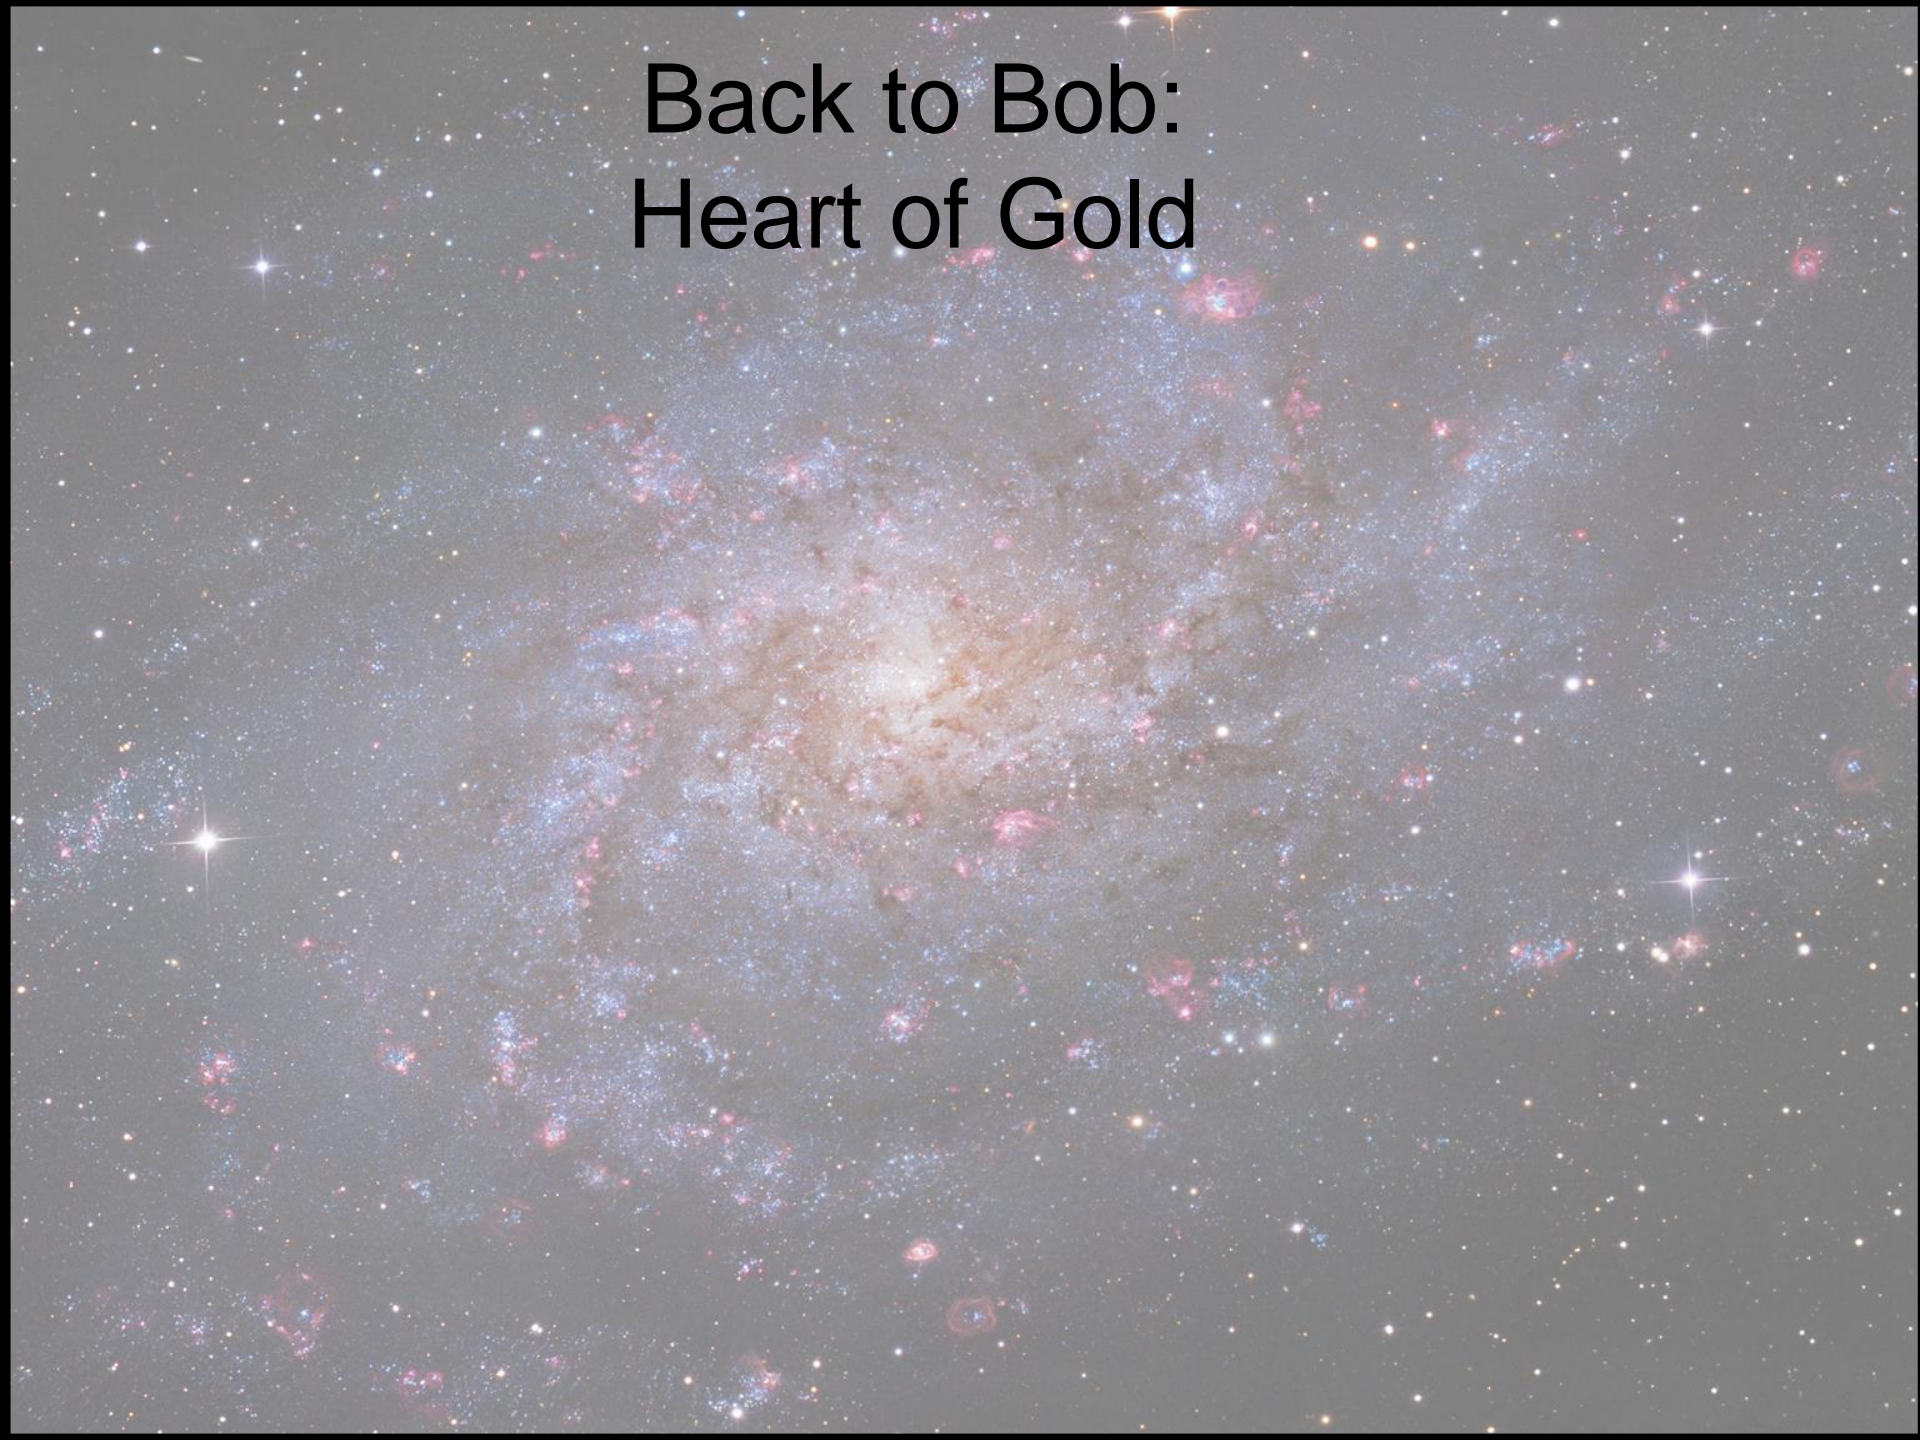

# The Acoustic Club: Tonight's The Night

# Back to Bob: Heart of Gold

# Hippies & Creatives: I've Been Waiting For You

# Science can be daunting: Mellow My Mind

# Bob's Open Door: Don't Be Denied

- Conversation
- Stupid questions
- Debate
- Café Sci
- Invitations

# Conversation: Words (Between the lines of Age)

Open conversation  
Willingness to engage  
Passion for science  
Dropping it into conversation

How rainbows work

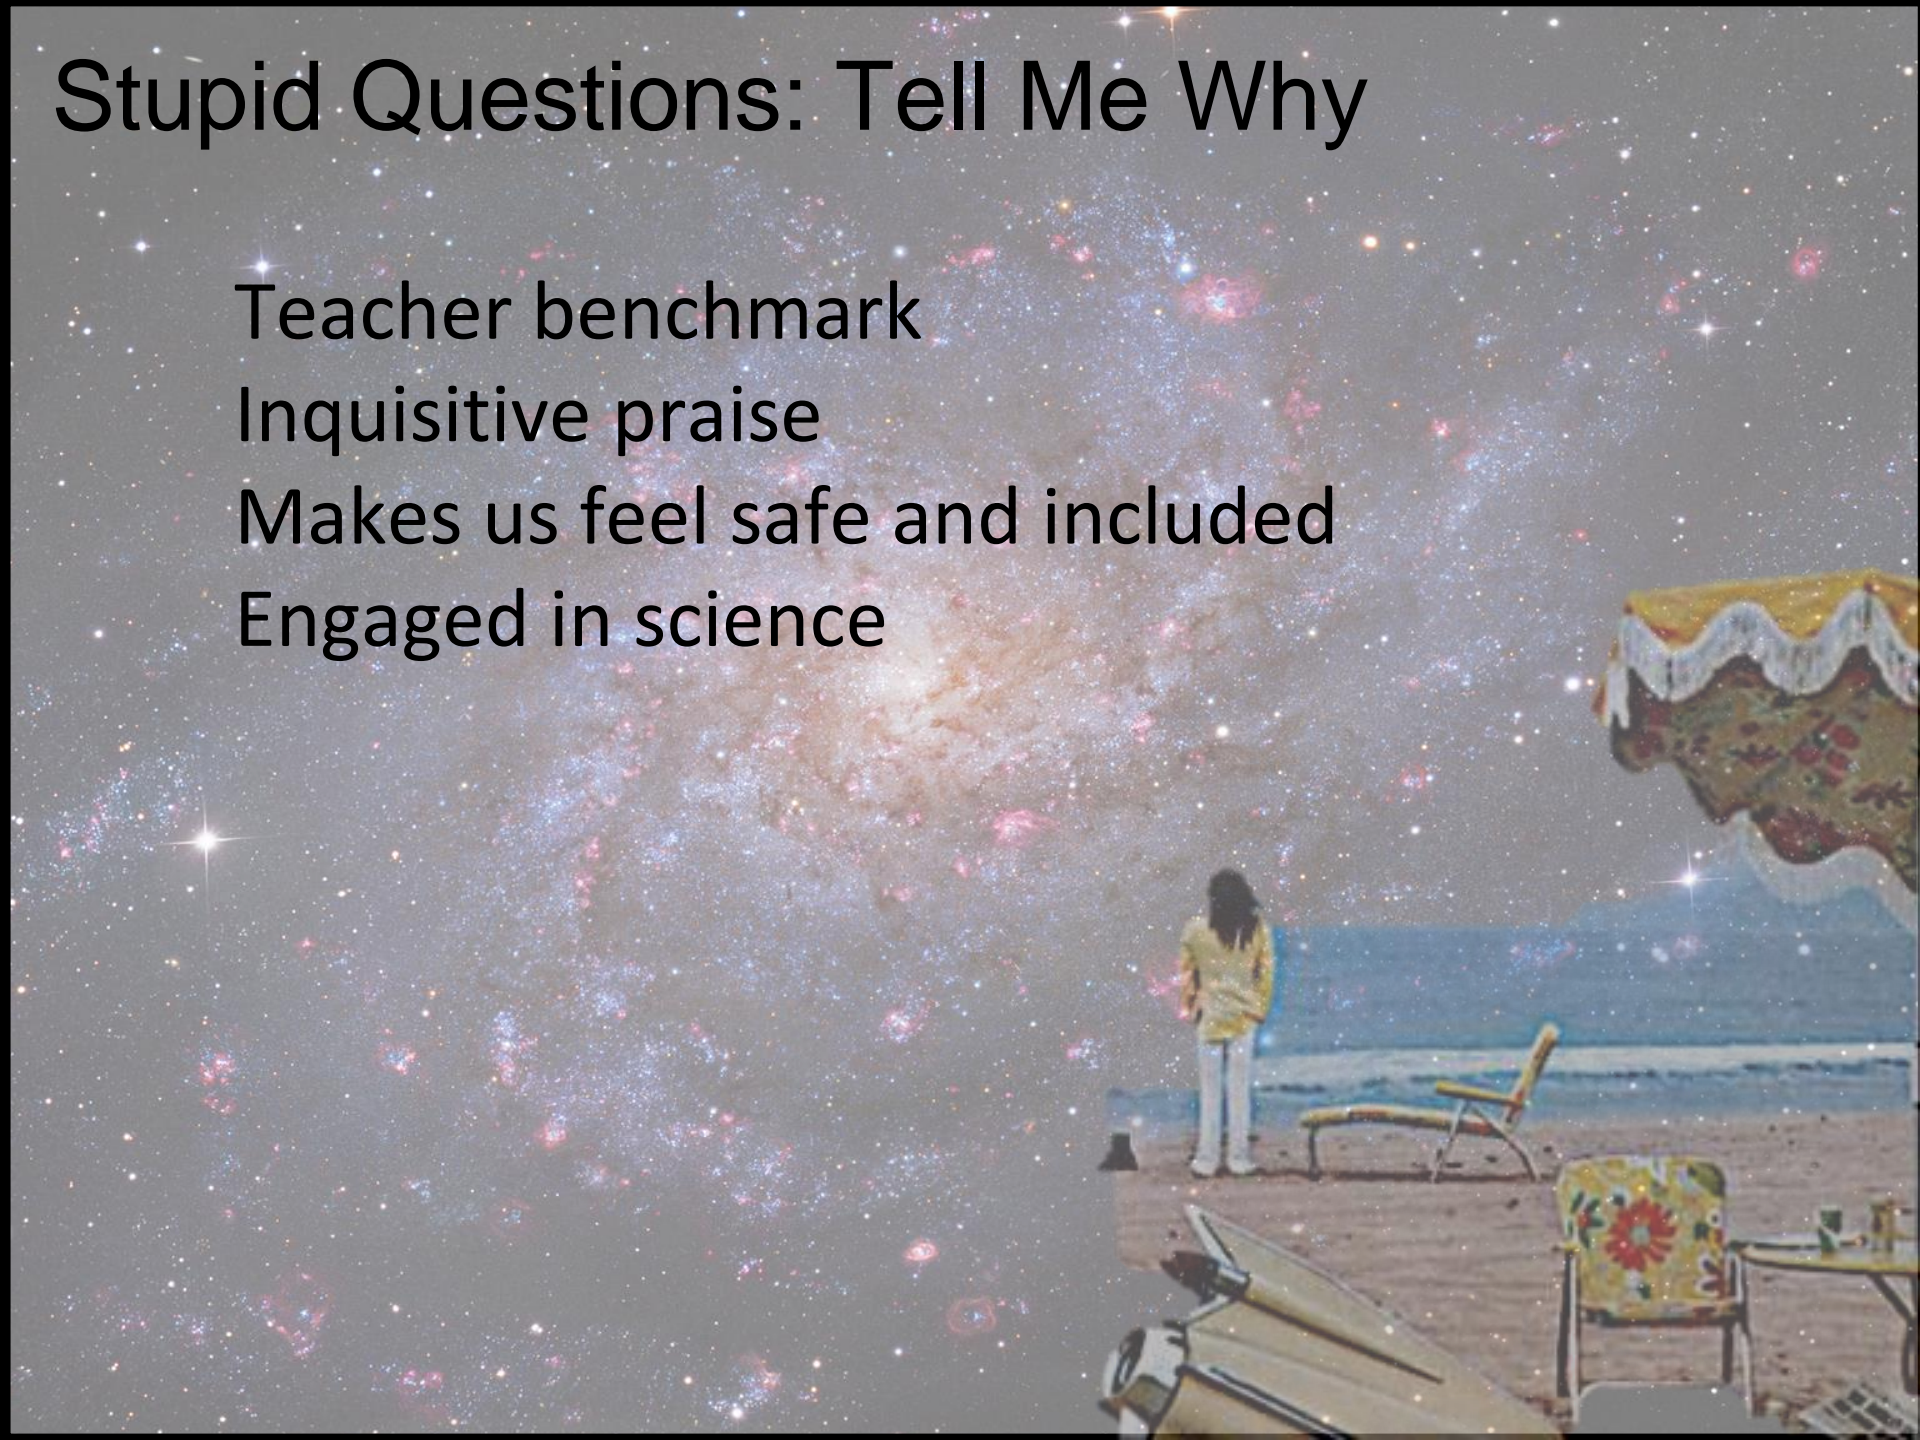

# Stupid Questions: Tell Me Why

Teacher benchmark

Inquisitive praise

Makes us feel safe and included

Engaged in science

# Debate: Speakin' Out

Intelligent, not arrogant

## Nuclear Power

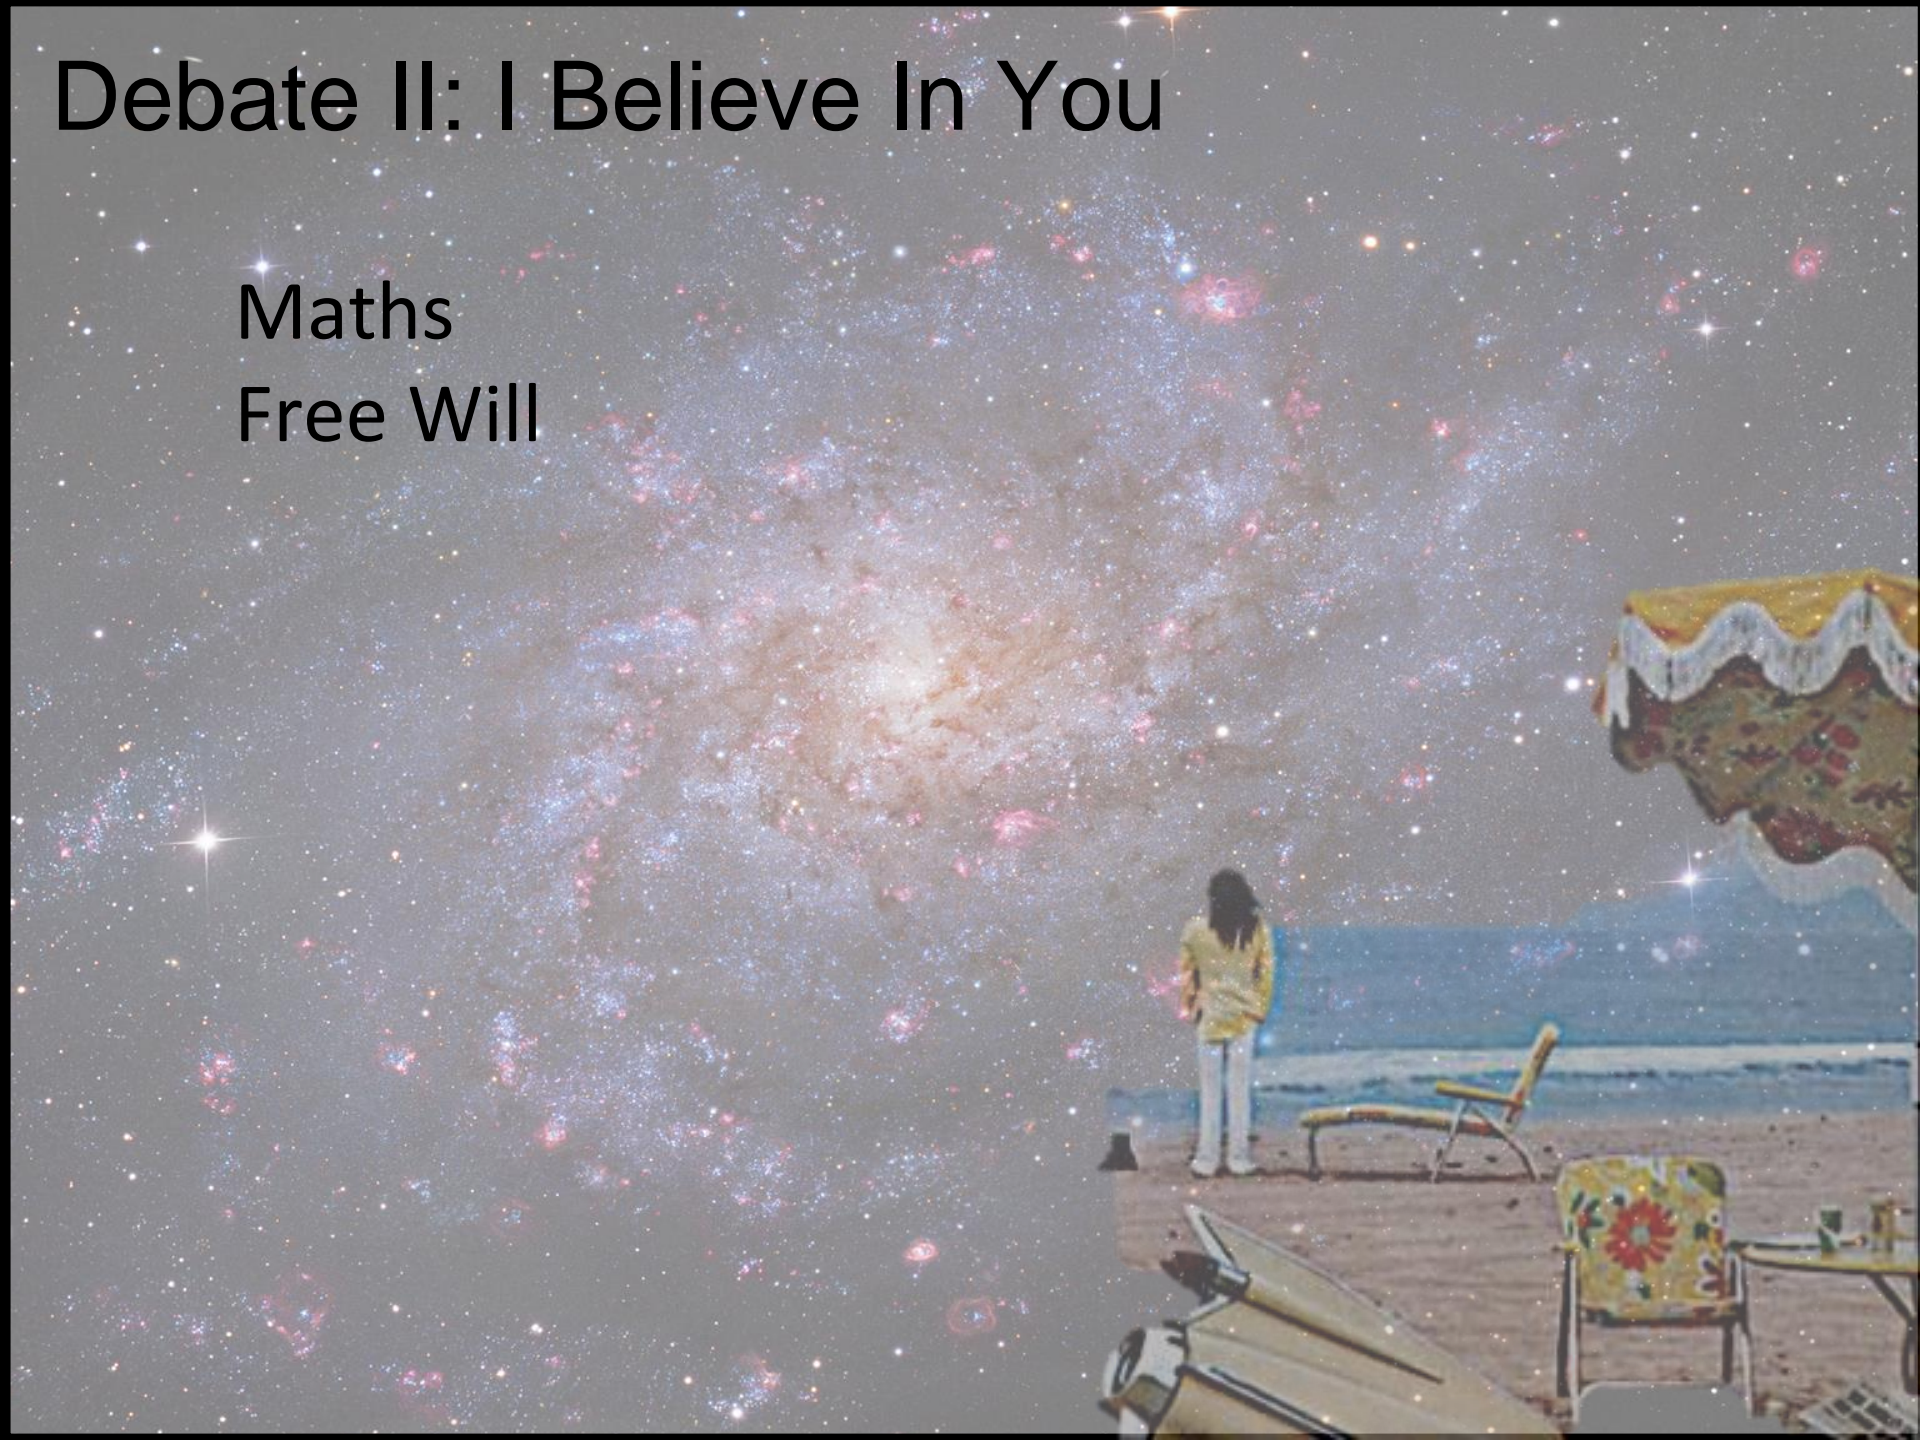

# Debate II: I Believe In You

Maths

Free Will

# Bob's World: There's A World

University

Fellow scientists

Videos

Name drops

Bob's no snob

# After The Gold Rush: Café Scientifique

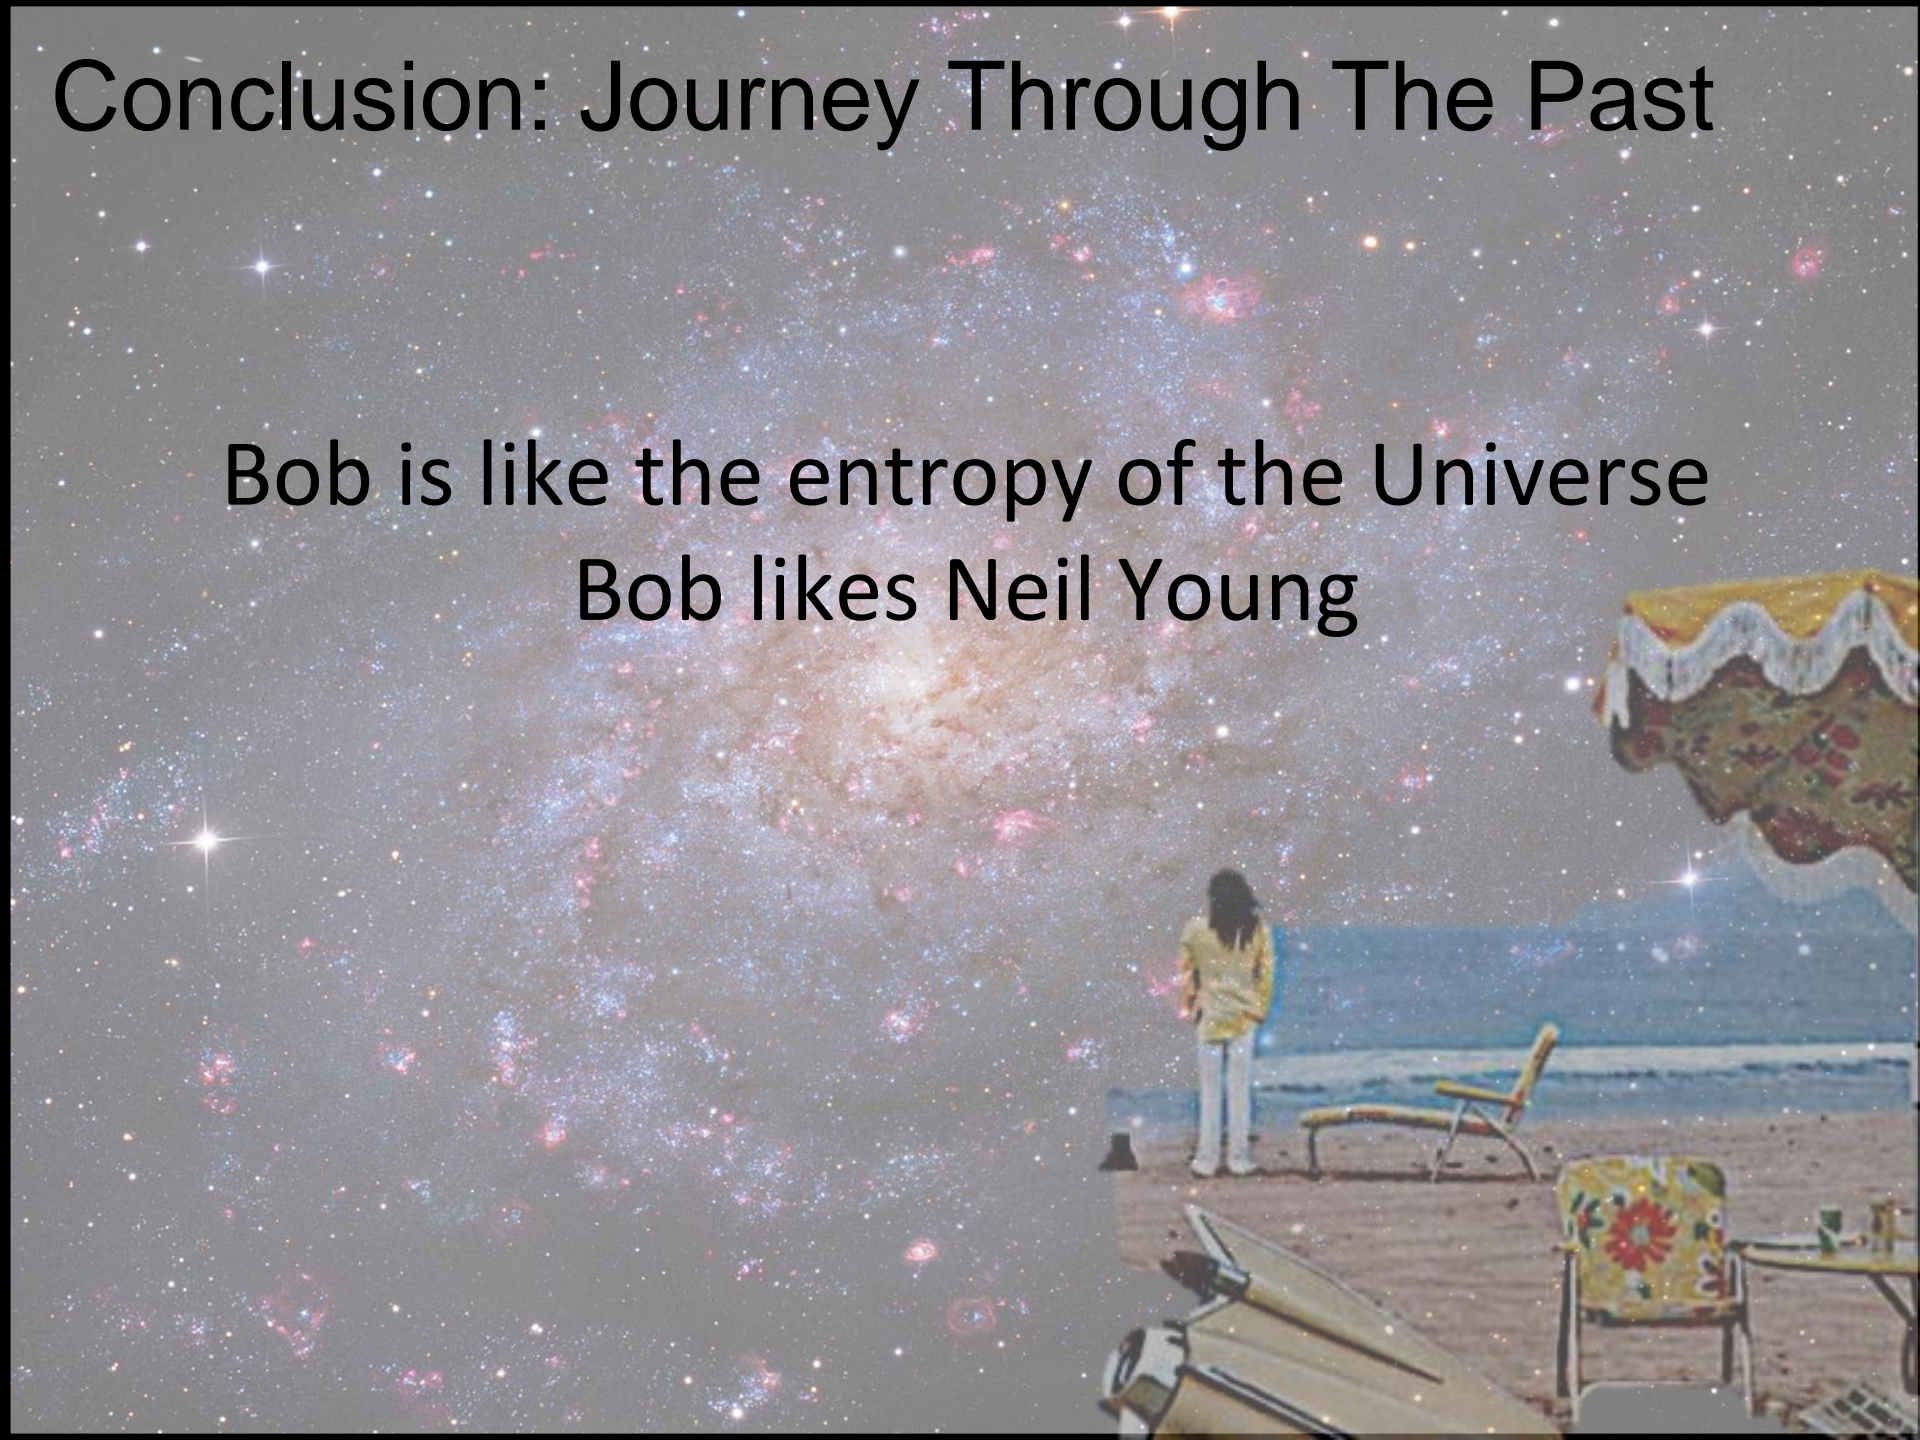

To the people  
For the people  
With the people

# Conclusion: Journey Through The Past

Bob is like the entropy of the Universe  
Bob likes Neil Young

# Conclusion II: Love In Mind

BE LIKE BOB

Whatever your subject/passion

Use your four eyes

Inviting

Inclusive

Inspiring

Encouraging

# THE END
