

The background features a complex pattern of thin, multi-colored lines (red, blue, yellow, cyan) radiating from a central point, creating a starburst or explosion effect. Overlaid on this is a grid of numbers in a light grey font. The numbers are arranged in a coordinate system with a central vertical axis labeled '0' at the top and bottom, and horizontal axes labeled '-40', '-20', '20', and '40' at the top and bottom. The vertical axis also has labels '10', '20', '30', and '40' on both sides.
