

**1st Colombian Meeting on High Energy Physics (COMHEP)
28 Nov - 02 Dec 2016, Medellín - Colombia**

Third Bulletin

The goal of the first Colombian Meeting on High Energy Physics is to bring together young and senior scientists, theorists and experimentalists, to discuss recent progress in particle physics, cosmology and related areas.

The program of the meeting will address a broad range of topics, such as: Standard Model and beyond, neutrino physics, hadron and flavor physics, dark matter, cosmology, cosmic rays, etc.

The meeting will take place in the campus of the Instituto Tecnológico Metropolitano in Medellín. For more information please visit the meeting website: <https://indico.cern.ch/event/501899/>

Invited speakers:

- Enrique Arrieta (Southern Methodist University, U.S.-NOvA Experiment)
- Bobby Acharya (King's College London, UK-ICTP, Italy)
- Carlos Ávila (Universidad de los Andes, Colombia - CMS Experiment)
- Alberto Correa Dos Reis (CBPF - Centro Brasileiro de Pesquisas Físicas, Brazil)
- Bruno El-Bennich (Universidade Cruzeiro do Sul, Brazil)
- Jens Erler (Instituto de Física-UNAM, México)
- Andre de Gouvea (Northwestern University, U.S.)
- Alfredo Gurrola (Vanderbilt University, U.S.)
- Fabio Iocco (Instituto de Física Teórica, IFT, Brazil)
- Deywis Moreno (Universidad Antonio Nariño, Colombia- ATLAS Experiment)
- Enrico Nardi (Istituto Nazionale di Fisica Nucleare, Italy)
- Alberto Oliva (CIEMAT AND CERN)
- Yuichi Oyama (Institute of Particle and Nuclear Studies-T2K, Japan)
- Carlos Ramirez (Universidad de Los Andes, Colombia)
- Antonio E. Romano (Universidad de Antioquia, Colombia)
- Federico Sánchez (ITeDA, Argentina)
- Avelino Vicente (Instituto de Física Corpuscular, España)

Please check our updated page at <https://indico.cern.ch/event/501899/> for:

* Timetable: Full program with confirmed plenary speakers and specialized talks. The poster session will be on Tuesday , 17:40-19:00.

* If you are given a talk, please send us the file of your talk (.pdf or .ppt are the expected formats), in order to have time to upload the files to the event computers, and check that everything works beforehand. You must send the file as attachment or as a cloud shared link 24 hours in advance to comhep@gmail.com

* If you are given a poster please check the indicated position in the poster session program in the menu of our web page. You have to bring it printed and the poster must fit in on a space of 1.1 m x 0.9 m.

* The registration fee can be paid only by cash during registration on Monday morning . Payment receipts will be available upon request also there. The registration fee covers coffee breaks for the 5 days, workshop material, the reception on Monday and the activity for the free time on Wednesday.

* Social activities: bus tour, reception and dinner. On Monday, at the end of the afternoon session, we will have the reception where all of you are very welcomed. The free time on Wednesday (from 2:20 pm) is a bus tour around the city (previous registration is required). On Thursdays there will be a dinner at Mondongo's, located at Carrera 70 No. C3-43 - Tel (4)-4113434. The meal prices are around 30000 COP, to be paid in cash at the restaurant (if you are interested to join).

* Confirmed participants. We highly appreciate that any cancellation will be informed through this email.

* Please check our updated page at <https://indico.cern.ch/event/501899/> for further information.

Please feel free to contact us for any additional information.

Looking forward to see you in Medellin,
The Local Organizing Committee (comhep@gmail.com)
