

Hard Probe 2016

Saturday 24 September 2016

Parallel Session II: Hard Probes in p+p and p+A Collisions (II) - Shi-Yan Hall (10:40-12:20)

-Conveners: Alexander Milov

time	[id] title	presenter
10:40	[124] Jet transverse fragmentation momentum from h-h correlations in pp and p-Pb collisions	VIINIKAINEN, Jussi
11:00	[106] Jet and Leading Hadron Production in d+Au Collisions in the PHENIX Experiment	SAKAGUCHI, Takao
11:20	[20] Single inclusive forward hadron production at next-to-leading order	ZHU, Yan
11:40	[53] Including resummation in the NLO BK equation	LAPPI, Tuomas
12:00	[26] Forward J/ψ and D-meson production in pA collisions at the LHC	DUCLOUE, Bertrand
