

Session Program

21-22 Mar 2016

COMPASS beyond 2020 Workshop

Morning session II

CERN, 222-R-001

Monday 21 March

11:00

Morning session II

Session | **Location:** CERN, 222-R-001 | **Convener:** Fabienne Kunne

11:00–11:30

Opportunities for Experiments with Hadrons in the Regime of Chiral Dynamics

Speaker

Jan Michael Friedrich

11:30–12:00

Opportunity to contribute in the search of dark matter

Speakers

Fiorenza Donato, Dr Michela Chiosso

12:00–12:30

Progress and opportunities of unpolarised Drell-Yan program

Speaker

Wen-Chen Chang

12:30

Tuesday 22 March

11:00

Morning session II

Session | **Location:** CERN, 222-R-001 | **Convener:** Eva-Maria Kabuss

11:00–11:30

Study hadron partonic structure at J-PARC and EIC/China

Speaker

Wen-Chen Chang

11:30–12:00

Future beam options for fixed-target experiments at CERN

Speaker

Lau Gatignon

12:00–13:00

Discussion (muon beam, SIDIS and GPDs)

Speakers

Discussion prepared by Gerhard Mallot, Gerhard Mallot

13:00
