

**Session Program**

**21-22 Mar 2016**

**COMPASS beyond 2020 Workshop**

***Morning session I***

CERN, 222-R-001

# Monday 21 March

09:00

## Morning session I

**Session** | **Location:** CERN, 222-R-001 | **Convener:** Nicole D'Hose

09:00–09:15 **Opening welcome**

**Speaker**

Gerhard Mallot

09:15–09:55

**A window of opportunity for SIDIS measurements at COMPASS beyond 2020**

**Speaker**

Andrea Bressan

09:55–10:30 **Opportunities for constraining GPDs at COMPASS after 2020**

**Speaker**

Caroline Kathrin Riedl

10:30

# Tuesday 22 March

09:00

## Morning session I

**Session** | **Location:** CERN, 222-R-001 | **Convener:** Stephan Paul

09:00–09:30

### Possible future hadron spectroscopy measurements at COMPASS

**Speaker**

Boris Grube

09:30–10:00

### Initial Measurements of Hadron Spectroscopy and Nucleon Structure with Antiprotons by PANDA

**Speaker**

James Ritman

10:00–10:30

### Spectroscopy and Hadron Physics at LHCb

**Speaker**

Sebastian Neubert

10:30
