

Session Program

15-16 Jun 2009

3rd LHC Detector Alignment Workshop

LHC Experience with first data: Cosmics and first beam I

CERN, 40-S2-A01

Monday 15 June

11:00

LHC Experience with first data: Cosmics and first beam I

Session | Location: CERN, 40-S2-A01

11:00-11:20

ALICE Inner Tracking System: first alignment results with cosmics

Speaker

Sandra Moretto

11:25-11:45

Validation and tests for the alignment of the ALICE Inner Tracking System

Speaker

Andrea Rossi

11:50-12:20

ATLAS Inner Detector Alignment with Cosmics

Speaker

Jochen Schieck

12:30
