

## Session Program

15-16 Jun 2009

## 3rd LHC Detector Alignment Workshop

### *Recent Improvements in Alignment Algorithms II*

CERN, 40-S2-A01

## Tuesday 16 June

09:00

### Recent Improvements in Alignment Algorithms II

Session | Location: CERN, 40-S2-A01

09:00–09:20

#### The Kalman filter alignment algorithm

**Speaker**

Dr Edmund Widl

09:25–09:45

#### Rigorous integration of Kalman filter track fit into alignment

**Speaker**

Wouter Hulsbergen

09:50
