

Programme Objectives

Hungarian Teacher Programme 2016

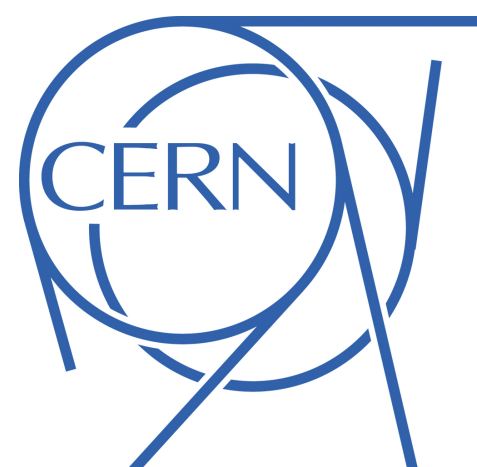

Why do we do all this?

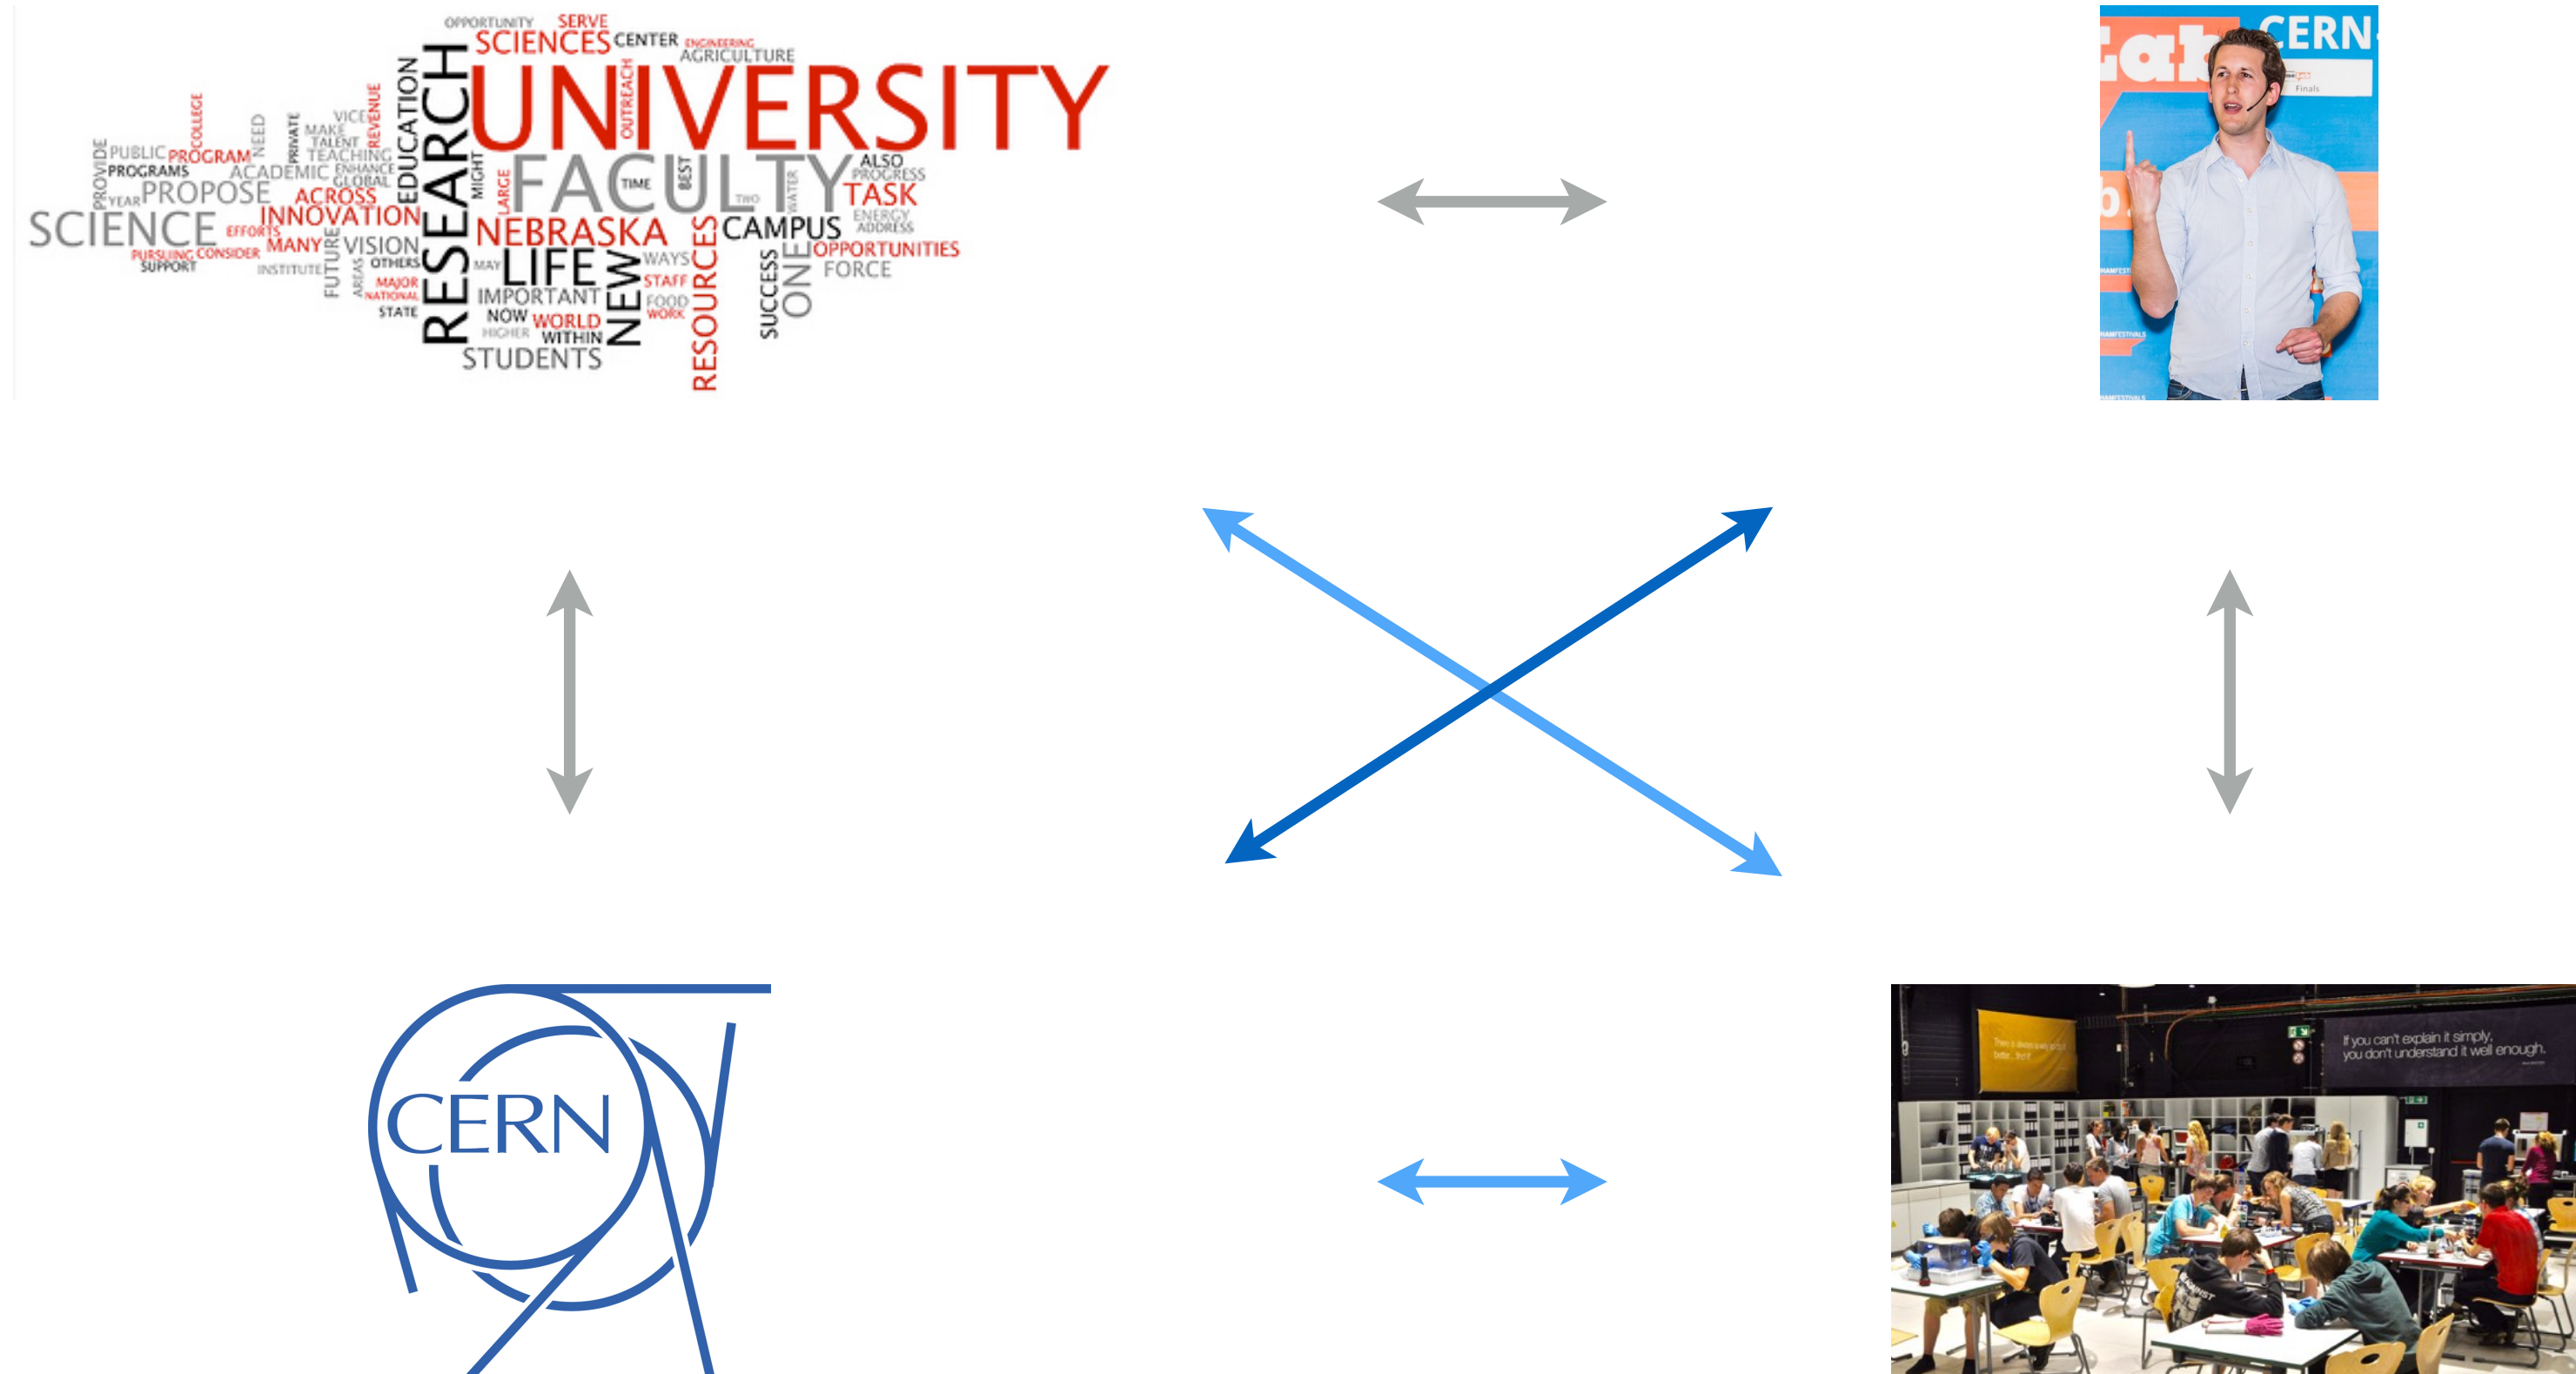

To bring modern science
into the classroom!

👉 scientific awareness 👈

Classical approach

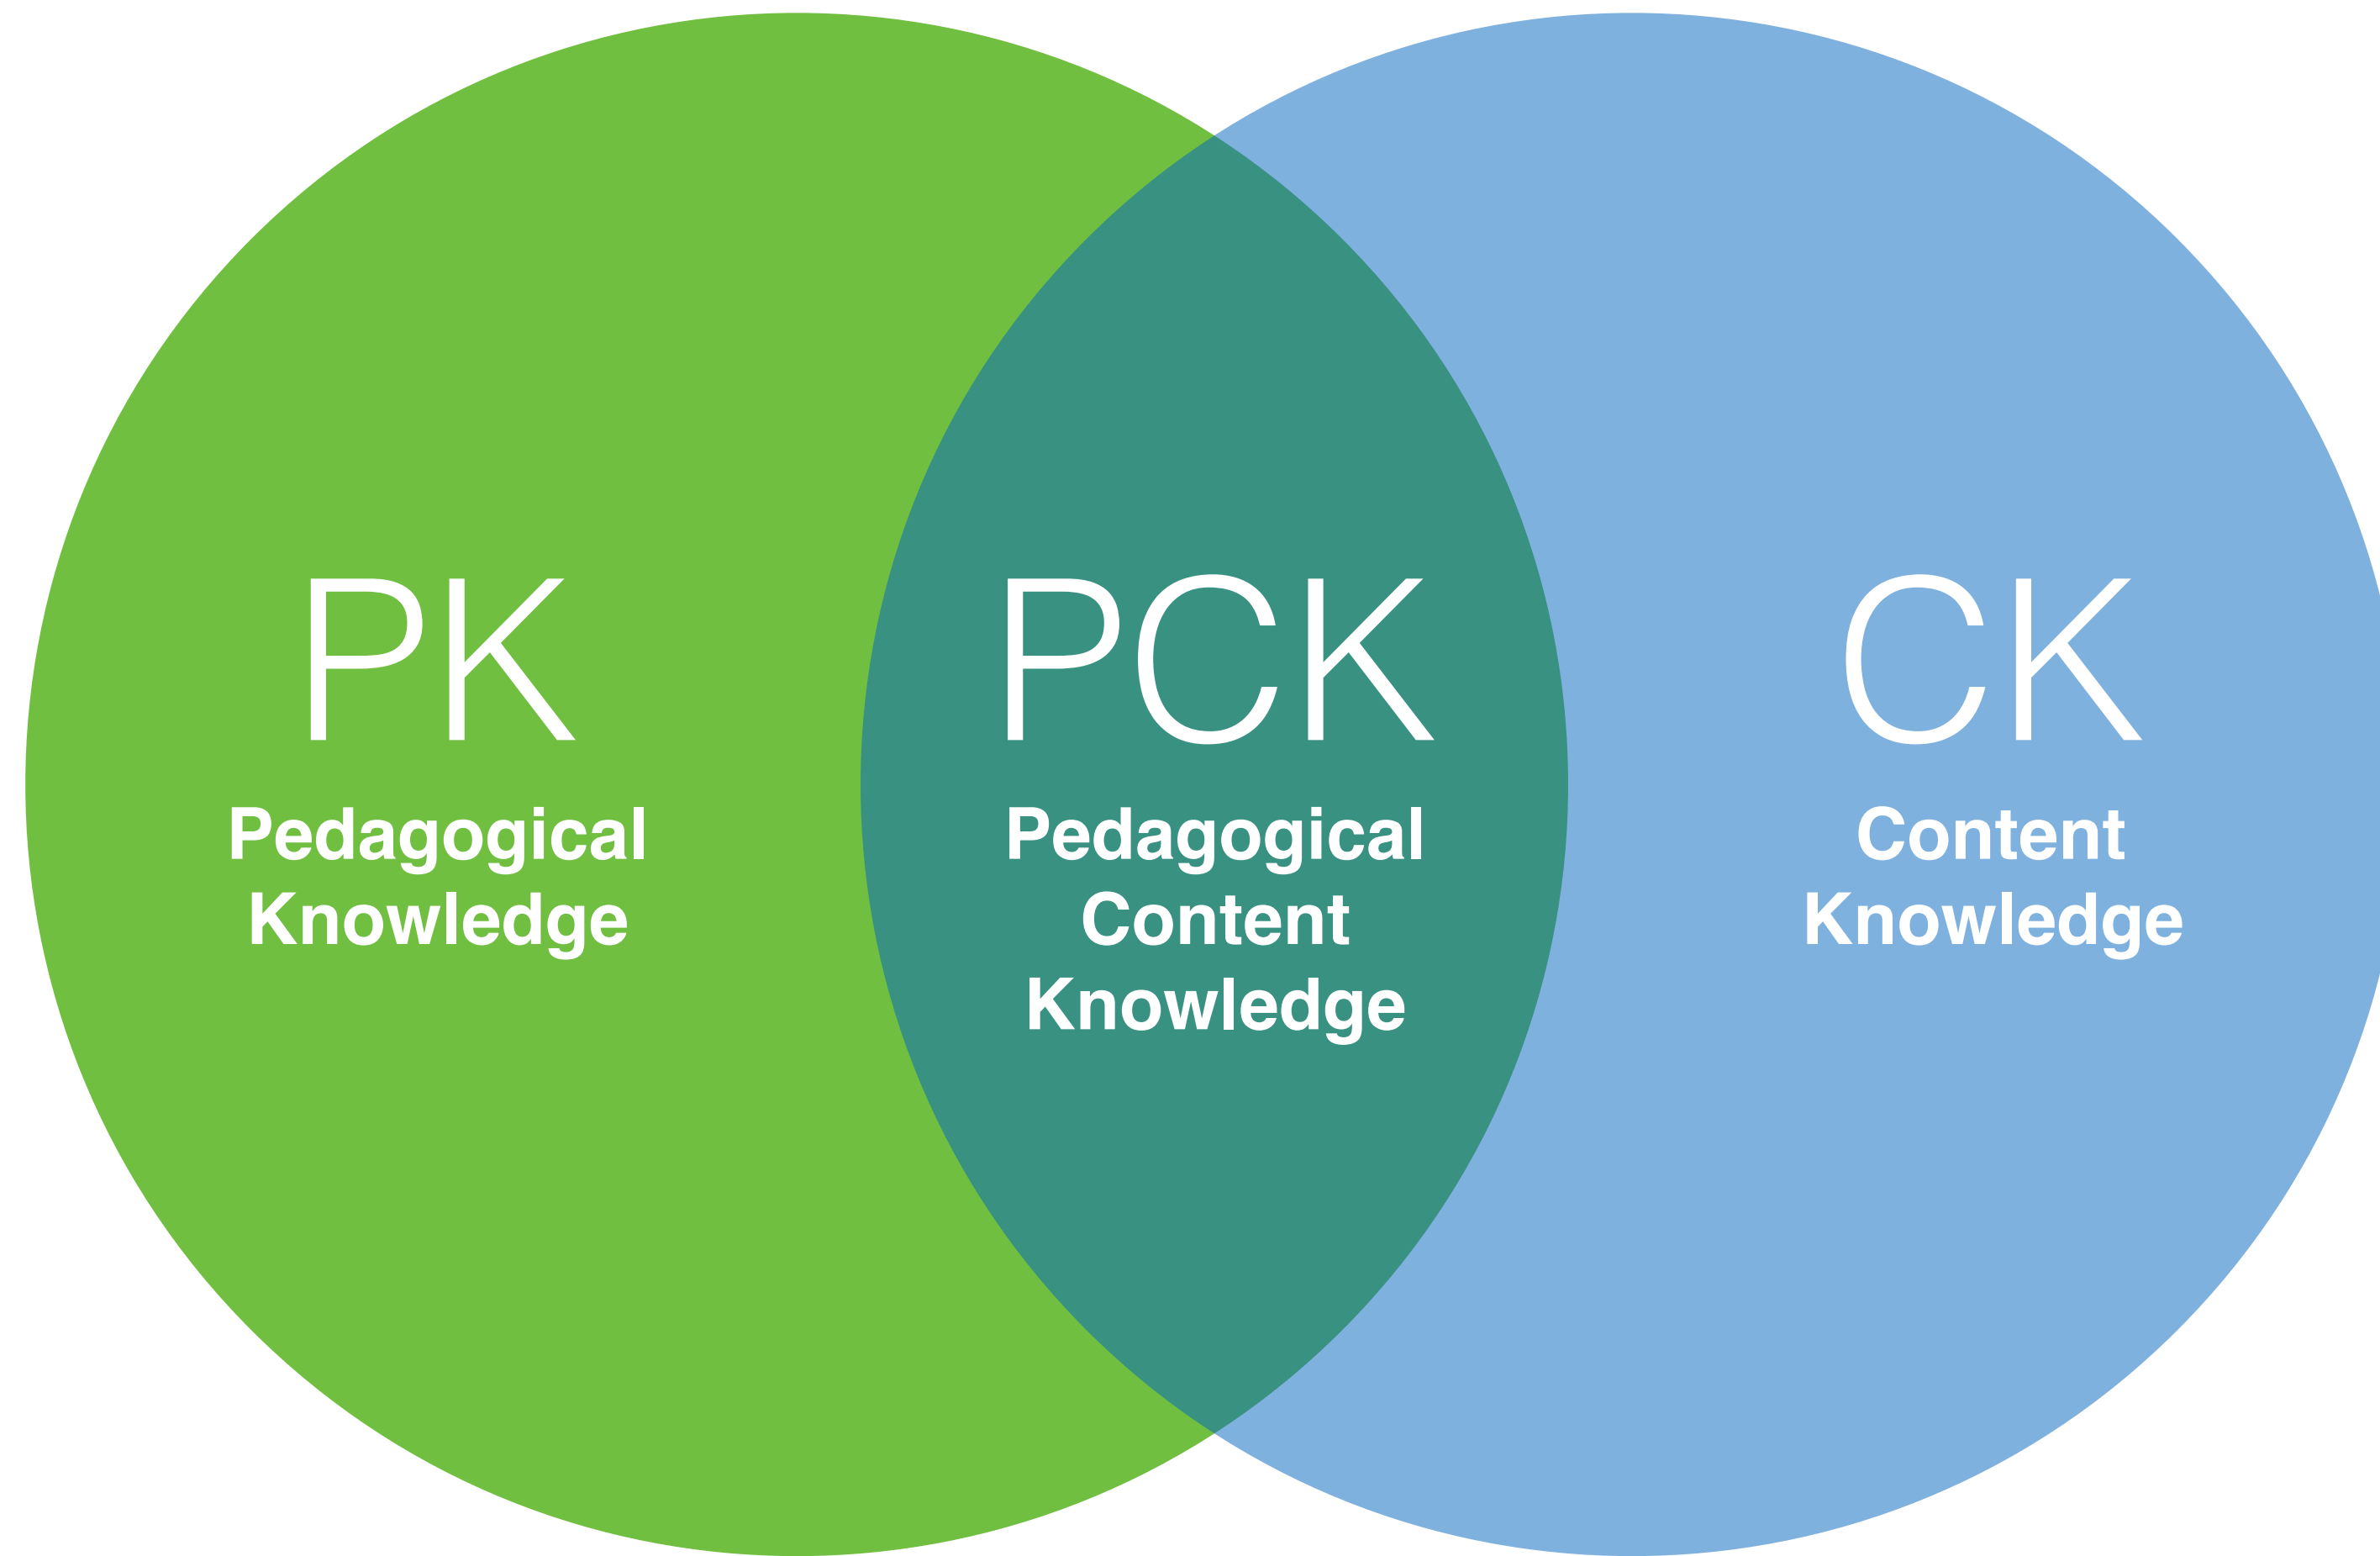

CERN's approach

We need you!

“I teach students”

“I teach physics”

“I teach physics to students”

CERN's Teacher Programmes

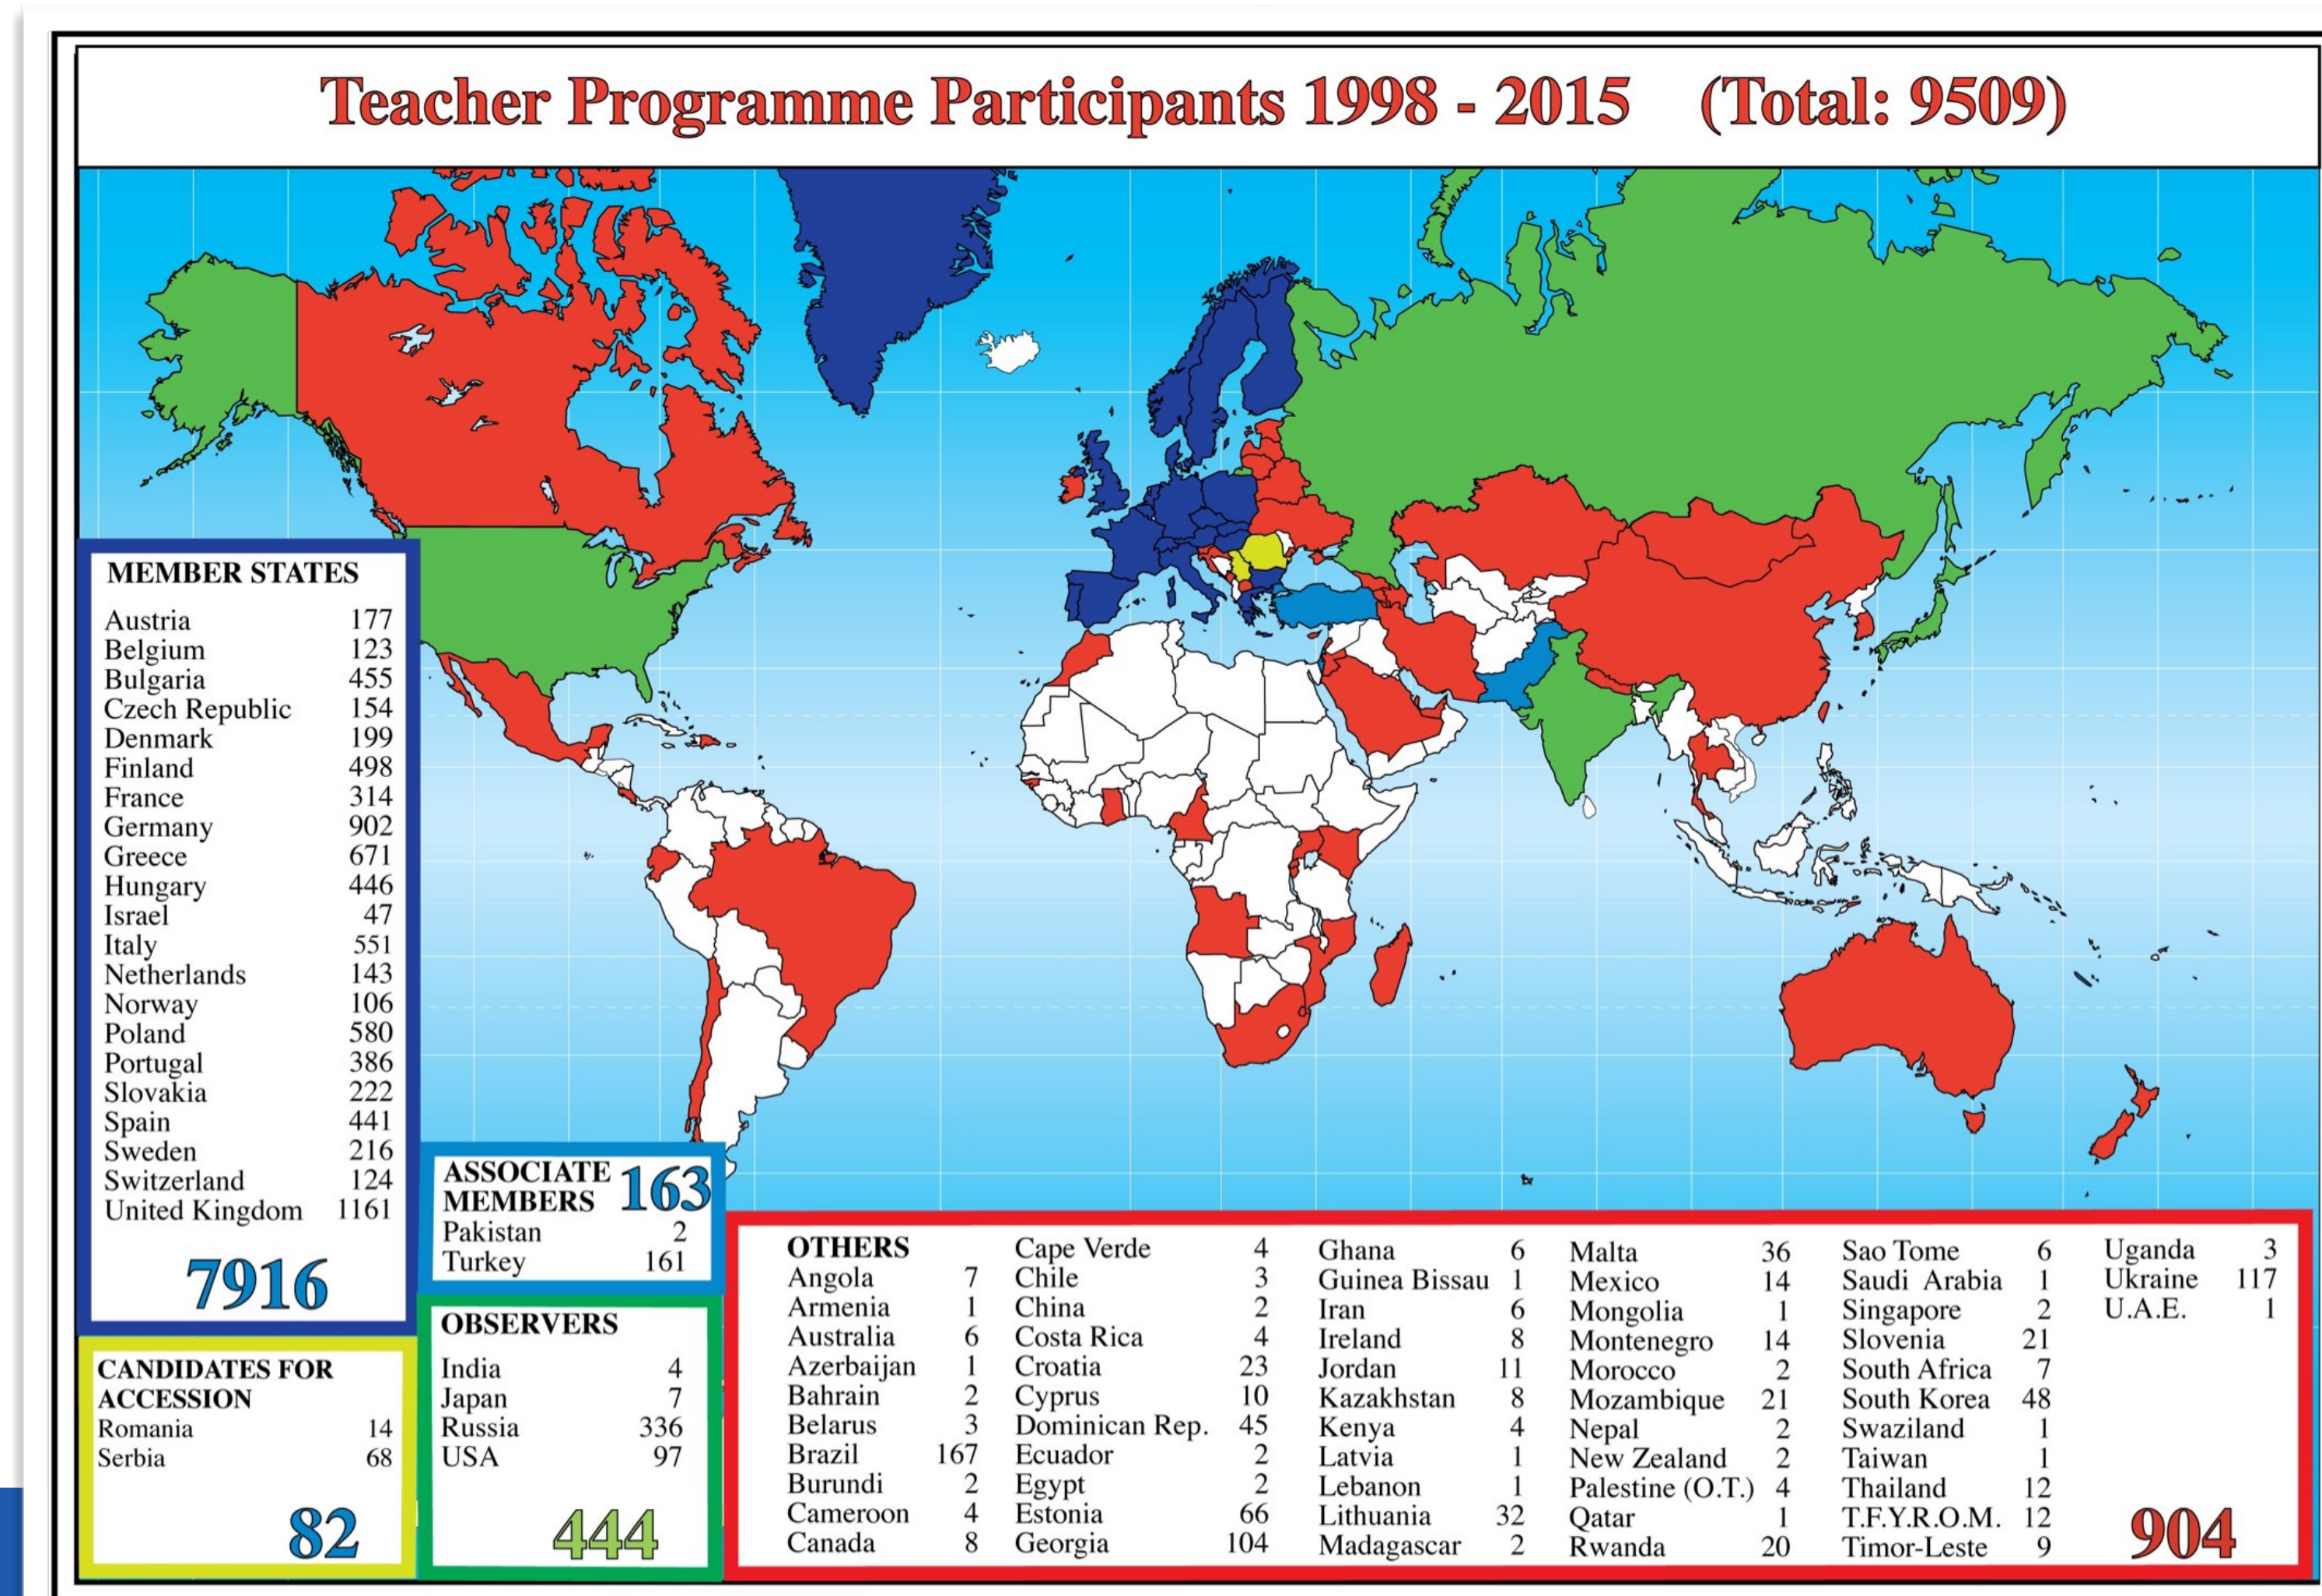

CERN's Teacher Programmes

National Teacher Programmes in native language | 4-6 days

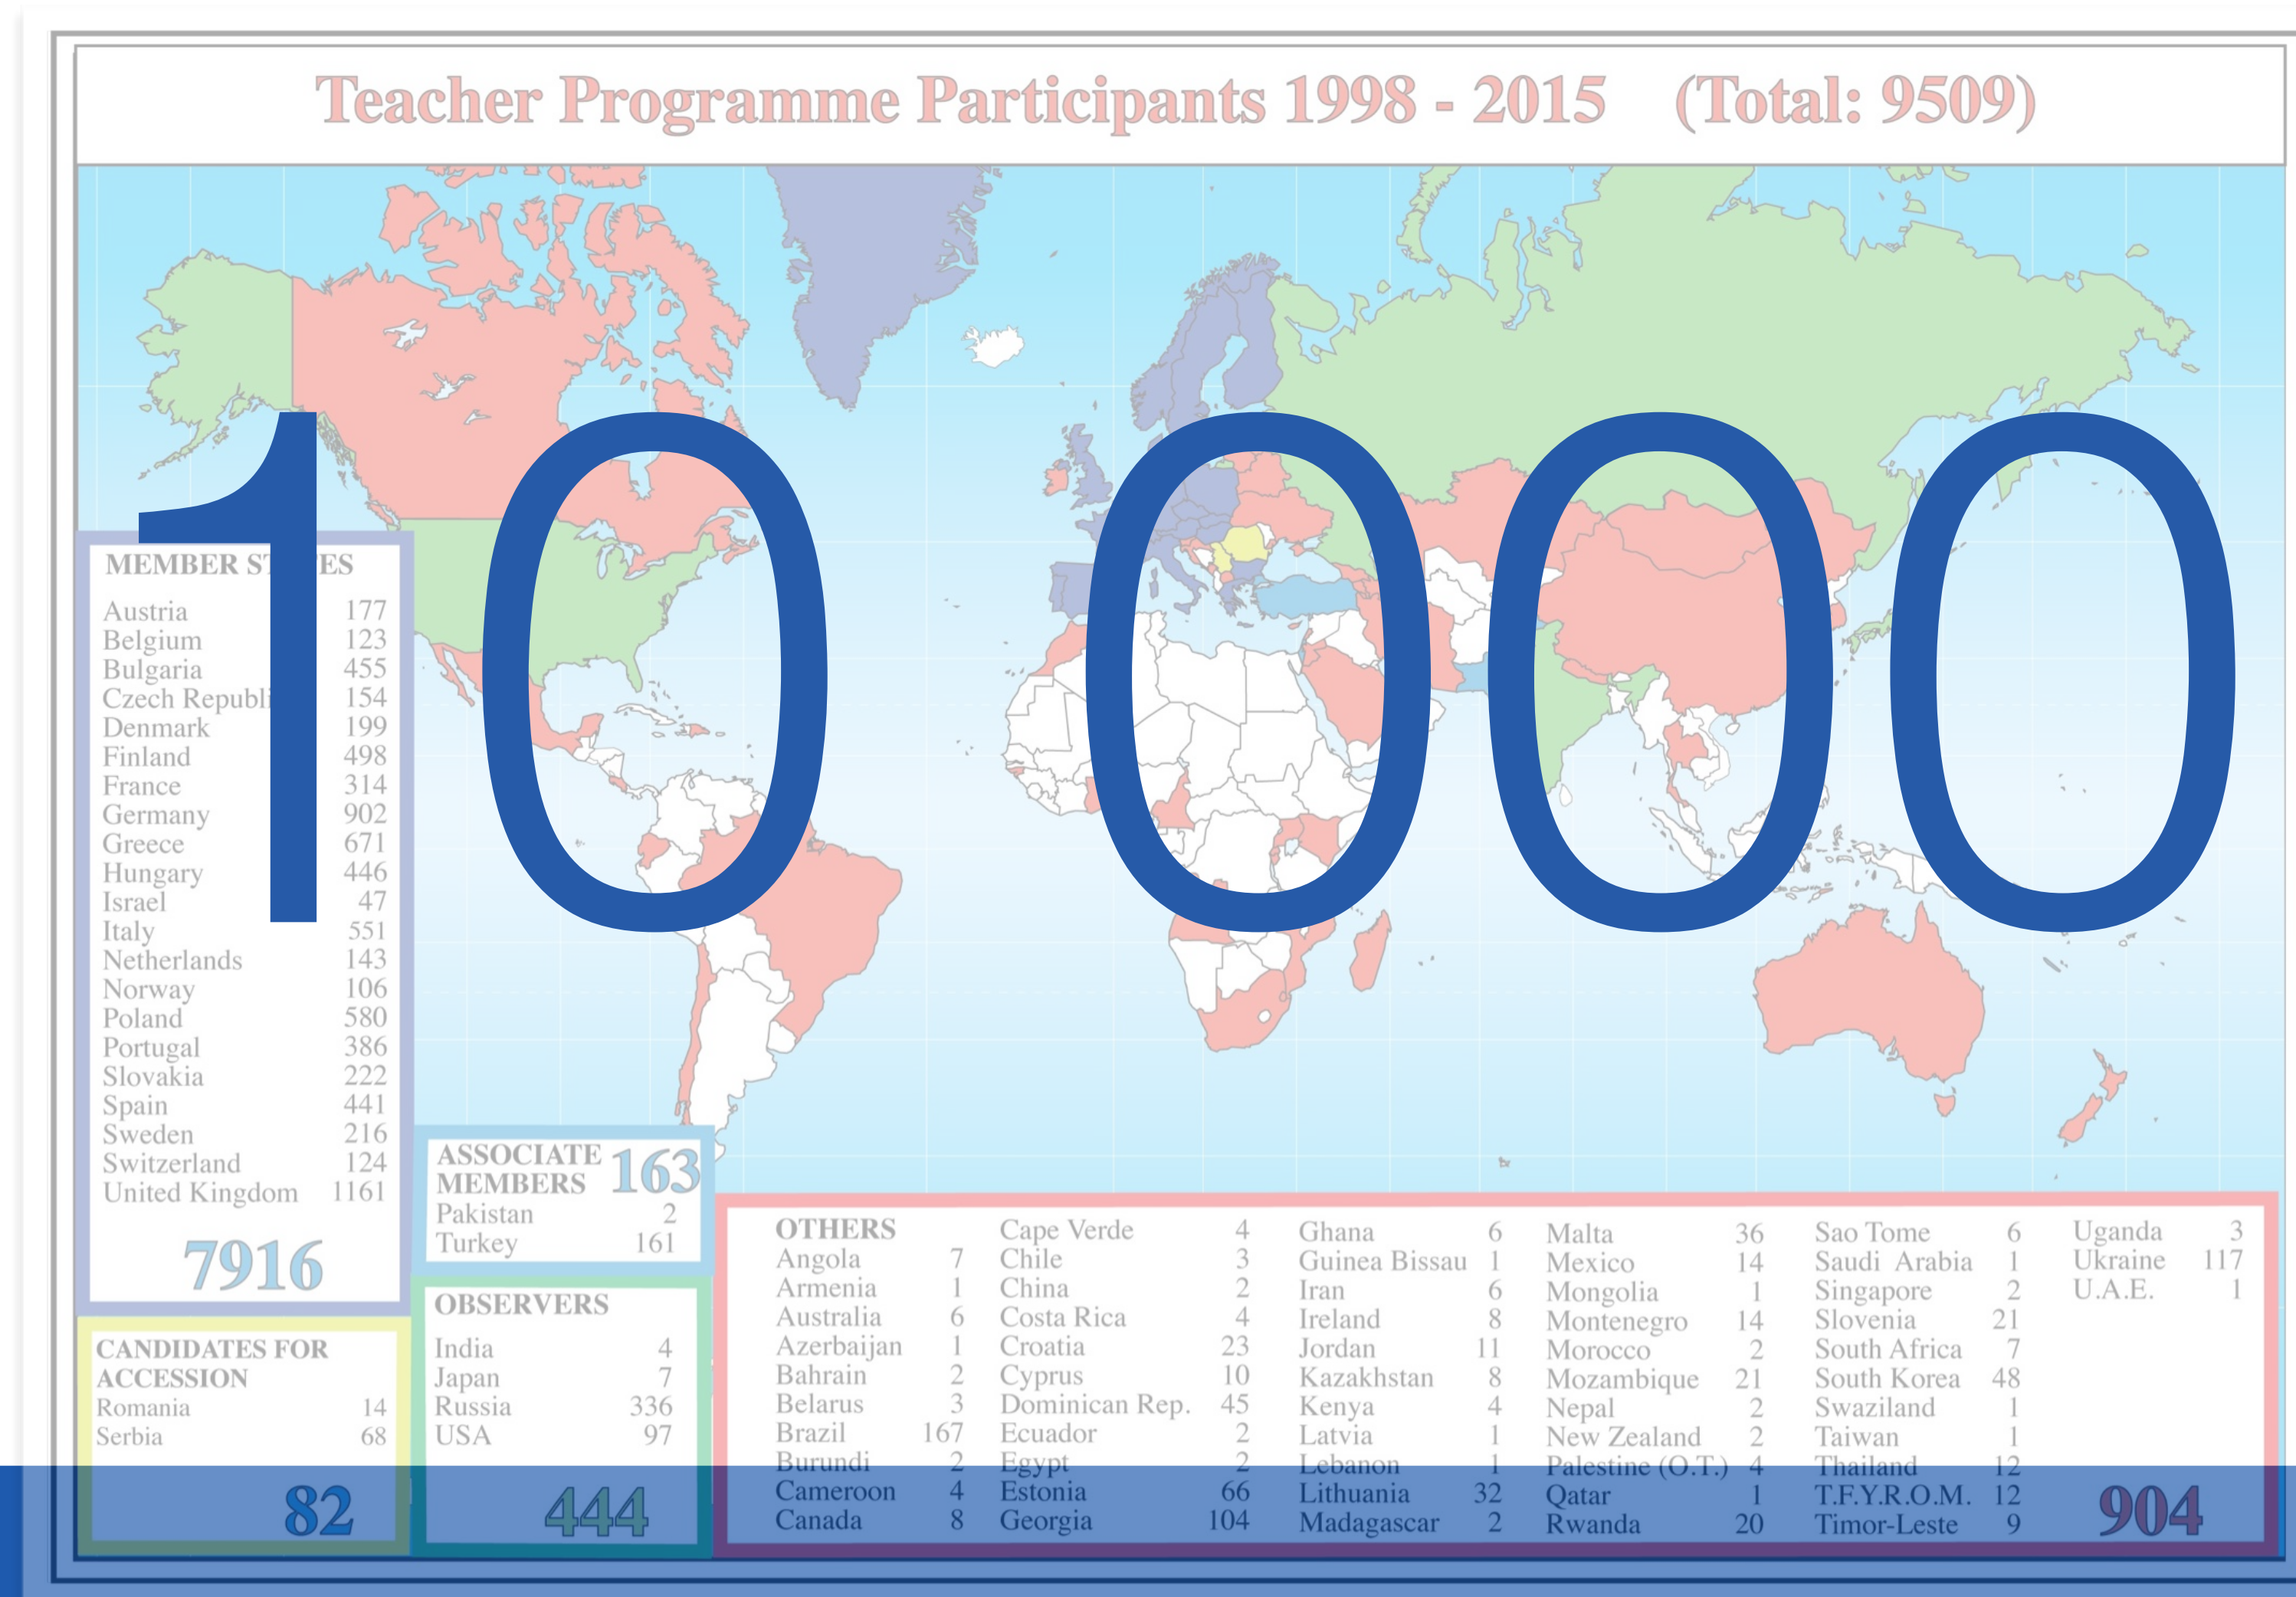

International Teacher Programmes in English | 2-3 weeks

CERN's Teacher Programmes

CERN's Teacher Programmes

Outcome and To-Do-List

- Share your experience with your students, your colleagues, and the general public.
- Act as ambassador for science/engineering and in particular for particle physics.
- Organise follow-up activities.

Merci bien!
