The screenshot shows the website for the Dominican Teacher Programme 2016. The header features the Dominican Republic flag and the title "Dominican Teacher Programme". Below the header, the dates "12-17 June 2016" and the location "CERN Europe/Zurich timezone" are displayed. A search bar is present in the top right. The main content area includes a left sidebar with navigation links for "Overview", "Timetable", and "Administrative Support". The "Administrative Support" section lists contact information for Maureen.Prola-Tessaur... and a phone number +41 22 76 72775. The main text describes the programme as taking place from 12-18 June 2016, involving lectures, on-site visits, exhibitions, and hands-on workshops. It also provides contact details for the Teacher Programme Manager, Jeff Wiener, and emergency contact information for the CERN fire brigade. A section for "Starts" and "Ends" shows the programme starting on 12 Jun 2016 at 17:00 and ending on 17 Jun 2016 at 14:00 in Europe/Zurich. The location is listed as CERN. A "Materials" section indicates that there are no materials yet. An information box at the bottom states that scientific programme and agenda information will be available under the Timetable, and that more precise information concerning arrival at CERN and a definite confirmation of participation will be sent by e-mail. CERN is looking forward to welcoming participants in Geneva, Switzerland.
