

Session Program

25-27 Jul 2016

4th Heavy-Ion Jet Workshop

Jet structure and energy flow

Ecole Polytechnique, Amphitheatre Painlevé
Palaiseau, France

Monday 25 July

10:00

Jet structure and energy flow

Session | **Location:** Ecole Polytechnique, Amphitheatre Painlevé, Palaiseau, France

10:00-10:15 **Welcome**

Speaker
Matthew Nguyen

10:15-11:00 **Jet structure in heavy-ion collisions**

Speaker
Yacine Mehtar-Tani

11:00-11:30 **What have we learned from missing p_T ?**

Speaker
Christopher Mc Ginn

11:30-12:00

Heavy-quark energy-loss via angular correlations between heavy and light mesons

Speaker
Martin Rohrmoser

12:00
