

Session Program

25-27 Jul 2016

4th Heavy-Ion Jet Workshop

Theoretical developments

Ecole Polytechnique, Amphitheatre Painlevé
Palaiseau, France

Monday 25 July

15:15

Theoretical developments

Session | **Location:** Ecole Polytechnique, Amphitheatre Painlevé, Palaiseau, France | **Conveners:** Guilherme Teixeira De Almeida Milhano, Guilherme Teixeira De Almeida Milhano

15:15–15:45

Evolution of the Jet Opening Angle Distribution in Strongly Coupled Plasma

Speaker

Krishna Rajagopal

15:45–16:30

Medium Response and Coherence effects in Jet Quenching

Speaker

Mr Daniel Pablos

16:30–17:00

Resolution Effects in the Hybrid Strong/Weak Coupling Model

Speaker

Zachary Hulcher

17:00
