

Session Program

25-27 Jul 2016

4th Heavy-Ion Jet Workshop

Jet substructure

Ecole Polytechnique, Amphitheatre Painlevé
Palaiseau, France

Wednesday 27 July

10:00

Jet substructure

Session | **Location:** Ecole Polytechnique, Amphitheatre Painlevé, Palaiseau, France | **Convener:** Christof Roland

10:00–10:45 **Boosted objects in heavy-ion physics: a powerful probe of QGP**

Speaker

Liliana Apolinario

10:45–11:15 **Splitting functions**

Speaker

Marta Verweij

11:15–12:00 **Jet mass distribution and jet substructure**

Speakers

Yang-Ting Chien, Dr Yang-Ting Chien

12:00
