

Session Program

24-27 Mar 2009

4th Crystal Channeling Workshop 2009

***Increase of probability of particle capture
into the channeling regime***

CERN, 593-R-010

Thursday 26 March

09:30

09:50

Increase of probability of particle capture into the channeling regime

Session | **Location:** CERN, 593-R-010
