Programme website

The screenshot shows the website for the UK Teacher Programme 2016. At the top, there is a blue header with the UK flag and the text "UK Teacher Programme". Below this, the dates "13-17 December 2016" and "CERN Europe/Zurich timezone" are displayed, along with a search bar. A left sidebar contains navigation links for "Overview", "Timetable", and "Administrative Support:", with the latter showing contact information for Maureen.Prola-Tessaur... and a phone number +41 22 76 72775. The main content area features a paragraph describing the programme, followed by contact details for the "UK Teacher Programme 2016:" (https://indico.cern.ch/e/UKTP16-2) and the "Teacher Programme Manager:" (Jeff Wiener: 0041 75 411 9010). It also lists emergency contacts: "In case of emergency:" and "CERN fire brigade: 0041 22 76 74444". A section with icons provides "Starts 13 Dec 2016 17:00", "Ends 17 Dec 2016 14:00", "Europe/Zurich", and identifies "Mark Langley" and "Jeff Wiener" as organizers. A "Materials" section indicates "There are no materials yet." An information box at the bottom explains that participants should contact their national organiser, Mark Langley, for more details and confirmation.

Description This UK Teacher Programme 2016 will take place from 13-17 December 2016. Lectures, on-site visits, exhibitions, and hands-on workshops will introduce its participants into cutting-edge particle physics. We hope our participants will go back to the UK as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists ...
