Programme website

The screenshot shows the Indico event page for the Ukrainian Teacher Programme 2016. The header features the event title and dates (4-10 December 2016) at CERN, with a search bar. A left sidebar contains navigation links for Overview, Timetable, and Administrative Support, which lists contact information for Maureen Prola-Tessaur. The main content area includes a description of the programme, contact details for the manager (Jeff Wiener), emergency contact (CERN fire brigade), and event timing (4 Dec 17:00 to 10 Dec 12:00). It also lists organizers (Jeff Wiener, Tetiana Hryn'ova), location (CERN), and a note that no materials are currently listed. An information box at the bottom states that the scientific programme and agenda will be available under the Timetable, and that more precise information regarding arrival and confirmation will be sent via email.
