Getting your files (WWW)

ROYAL
HOLLOWAY
UNIVERSITY
OF LONDON

- **Make a public html file (assuming you are a user called USER)**
- Assume all your files are located in a directory called /home/USER/CAS
- `cd /home/USER/`
- `tar zcf CAS.tgz ./CAS`
- `mv CAS.tgz public_html`
- **Get your files from a browser**
- <http://www.pp.rhul.ac.uk/~user/CAS.tgz>
