

6th NExT PhD Workshop

University of Sussex, Brighton, UK

20th - 23rd June 2016

Lectures & Speakers

LHC Run II: Where do we stand and what to expect
John Ellis, King's College London

Flavour in the LHC era
Gilad Perez, Weizmann Institute of Science

Effective Field Theory
Martin Gorbahn, University of Liverpool

QCD in the LHC precision era
Alex Mitov, University of Cambridge

Composite Higgs
Giuliano Panico, IFAE Barcelona

Composite Flavour
Leandro Da Rold, Instituto Balseiro

Particle Astrophysics and Cosmology
Laura Covi, University of Göttingen

Experimental Physics
TBC

Local organisation committee

Andrea Banfi
Daniel Litim
Sebastian Jäger (chair)
Verónica Sanz
