

Vienna: Maps and Magic

Monday 15 February 2010 18:15 (45 minutes)

A cultural journey through the last 1500 years of Viennese history. Not only will we see the architectural jewels and landmarks that make the city famous, we will also get a glimpse at oddities that make the city so special. Additionally, we will look at historical maps and photographs to see how Vienna has developed from a camp of the Roman legion to the flourishing metropolis it is today.
