

## Review of Monolithic pixel detectors

*Wednesday 13 July 2016 11:10 (1h 40m)*

Passive monolithic pixel sensors and active monolithic pixel sensors: CCDs, CMOS with charge collection on epitaxial layer, Depleted MAPS (HV or HR substrate), CMOS on SOI, DEPFETs

**Author:** KUGATHASAN, Thanushan (CERN)

**Presenter:** KUGATHASAN, Thanushan (CERN)

**Session Classification:** X-ray and charged particle detectors
