

Session Program

16-17 Apr 2016

**Ideasquare Hands-on Workshop: Basics of 3D
Printing**

Basics of additive manufacturing

CERN, 3179/R-E06

Saturday 16 April

09:30

12:30

Basics of additive manufacturing

Session | Location: CERN, 3179/R-E06

Sunday 17 April

10:30

12:30

Basics of additive manufacturing: Overview of different 3D-printing techniques and their suitability for specific use cases

Session | **Location:** CERN, 3179/R-E06
