

Bulletin #1

The 5th Large Hadron Collider Physics conference (LHCP)

<http://lhcp2017.physics.sjtu.edu.cn/>

With this first bulleting of the LHCP 2017 conference we would like to thank you for having registered to participate to this exciting event. Please find herein practical instruction to guide you through the formalities of your travel arrangements. In particular, if you need it and have not done it yet, we would like to strongly encourage you submit your visa applications at your earliest convenience. The local organizing committee is happy to assist you should you have any further questions or needs. A preliminary program is available on the conference web site, please do not hesitate to send your comments, requests or questions to the program committee. Please note that the program is still under construction, you will be notified by a second bulletin once it will be finalized. We look very much forward to seeing you in Shanghai for an interesting and productive meeting.
