

Session Program

May 15 - 20, 2017

The Fifth Annual Large Hadron Collider Physics conference (LHCP2017)

Opening Plenary

Shanghai Jiao Tong University, AnTai A300
Xuhui Campus

Mon, May 15

8:30 AM

Opening Plenary: I

Session | **Location:** Shanghai Jiao Tong University, AnTai A300, Xuhui Campus | **Conveners:** Prof. Haijun Yang, Shan Jin

08:45 - 09:15 **Welcome remarks**

09:15 - 09:45 **Current and near future research activity at CERN**

Speaker

Eckhard Elsen

09:45 - 10:10 **The Large Hadron Collider: status and plans**

Speaker

Roberto Losito

10:10 - 10:35 **Highlights and perspectives from the CMS experiment**

Speaker

Joel Butler

10:35 AM

11:15 AM

Opening Plenary: II

Session | **Location:** Shanghai Jiao Tong University, AnTai A300, Xuhui Campus | **Conveners:** Manfred Krammer, Peter Jenni

11:15 - 11:40 **Highlights and perspectives from the ATLAS experiment**

Speaker

Ludovico Pontecorvo

11:40 - 12:05 **Highlights and perspectives from the LHCb experiment**

Speaker

Guy Wilkinson

12:05 - 12:30 **Highlights and perspectives from the ALICE experiment**

Speaker

Andrea Dainese

12:30 PM
