

The Fifth Annual Large Hadron Collider Physics conference (LHCP2017)

Friday 19 May 2017

Plenary - Heavy Flavors - AnTai A300 (08:30-10:30)

-Conveners: **Monica Pepe-Altarelli; Sandra Malvezzi**

time	[id] title	presenter
08:30	[41] Theoretical implications of recent heavy flavour measurements at the LHC	BLANKE, Monika
08:54	[42] CP Violation (B, D and baryon)	DORDEI, Francesca
09:18	[43] Rare decays	CHEN, Kai-Feng
09:42	[44] LF Universality	POLCI, Francesco
10:06	[45] Production and Spectroscopy (incl. Tetra/Pentaquarks)	YANG, Zhenwei
