## Opportunities for Industry and Potential Collaboration Areas

*Monday 30 May 2016 15:30 (1 hour)*

Overview talk by CERN KT Group Leader.

### Summary

In this second talk a more detailed overview of the several opportunities for Industry to collaborate with CERN KT will be presented. An overview of the most interesting technologies available to industry will be given, with a special focus to sectors where CERN's technologies can have large impact, such as for example IT, IS, Medical, Aerospace and Safety. Opportunities for entrepreneurs, SMEs or start-up companies will also be presented.
