

**Session Program**

**30 May 2016 to 3 June 2016**

**10th International Meeting on Front-End  
Electronics (FEE 2016)**

***FE for Gas Detectors***

AGH University of Science and Technology  
Academic Centre for Materials and Nanotechnology Bldg. D-16 Kawiory St. 30 30-055 Krakow, Poland

## Thursday 2 June

09:30

### FE for Gas Detectors

**Session** |**Location:** AGH University of Science and Technology, Academic Centre for Materials and Nanotechnology Bldg. D-16  
Kawiory St. 30 30-055 Krakow, Poland |**Convener:** Wladyslaw Dabrowski

09:30–09:55

#### Low-power front-end for the readout of GEM detectors in the CMS Experiment

**Speaker**

Mieczyslaw Maria Dabrowski

09:55–10:20

#### VMM ASIC

**Speaker**

Gianluigi De Geronimo

10:20
