

# POSIPOL 2009

## Thursday 25 June 2009

### Polarized positron sources: theoretical aspects and modelling - Amphithéâtre Dirac (09:00 - 10:30)

time	[id] title	presenter
09:00	[18] PPS-Sim: Polarised Positron Source Modelling using Geant4	Dr ANDREAS, Schaelicke
09:30	[24] theoretical constraints on spin transfer	Mr ARTRU, Xavier
10:00	[27] Polarization of particles in electromagnetic showers developing in media	Prof. STRAKHOVENKO, Vladimir
