S.Dalla Torre, L. Ropelewski

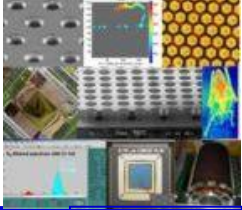

RD51 CALENDAR

meetings

- **MINIWEEK @ CERN, 6-10/6/2016**

- **Collaboration Meeting in Aveiro, 12-16/9/2016**
 - Starting on Monday morning, ending on Friday at lunch time
 - **During the CM, a workshop focusing on MPGD applications beyond fundamental science is foreseen to discuss both R&D for applications and tools required for applications**
 - **For more details about the CM meeting in Aveiro, see João Veloso's slides in a few minutes**

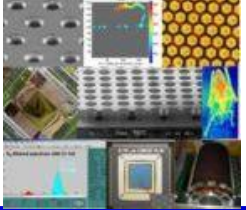

- **Second MINIWEEK @ CERN, in December, dates to be fixed**

RD51 annual report to LHCC

On 26/5/2016 report at the LHCC open session

- **slides presented by Leszek at site:**
https://indico.cern.ch/event/527359/contributions/2158540/attachments/1278658/1898412/RD51_LHCC_May_2016.pdf
- **THANKS to all WG conveners for providing material!**
- **In the previous days meeting with the LHCC referee: Dmitri Denisov (thanks for his dediucation!)**
 - **Positive comments by Dmitri**
- **Feedback from LHCC meeting (still not formal)**
 - **Apretiation for RD51 activity and achievements → supporting Rd51 continuation**
 - **There should be enhanced efforts on industrialization. CERN management will talk to the large LHC collaborators to consider placing orders outside CERN.**

RD51 MB election

- **3 vacancies:**
 - **Atsuiko OCHI**, now CB deputy chair, representing the Asia community in the MB → he moved to MB ex-officio member
 - **Gianni BENCIVENNI**, representing the national wider community in RD51, namely the Italian one : he resigned due to professional overload
 - **Harry van der GRAAF** : he resigned due to professional overload

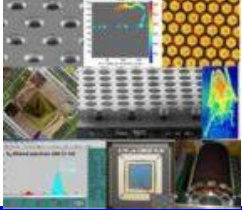

- **Election of 3 new members**
 - Started too early due to a misunderstanding, to be restarted at the end of this week
 - **Candidacies (CVs will be distributed via –mail):**
 - **F.Garcia / Helsinki**
 - **K.Gnanvo / Charlottesville**
 - **S.Mukhopadhyay / Kolkata**
 - **E. Radicioni / Bari**
 - **Y.Tsipolitis / Athens**

RD51 Talks @ International Conferences

GOAL: promote RD51 in International Conferences

- **Coordination by a MB member: Amos Breskin**
- **Priority to young speakers whenever possible**
 - **3 groups of identified speaker**
 - **to be enlarged: make proposals to MB via your contact person!**
 - **Group priority 1**
 - **M. Chefdeville, K. Gnanvo, D. Gonzalez Diaz, J. Kaminski, S. Levorato, E. Oliveri, F. Resnati**
 - **Group priority 2**
 - **K. Dehmelt, F. Garcia, F. Jeanneau, S. Mukhopadhyay, F. Murtas, Y. Tsiopolitis, D. Varga**
 - **Group priority 3**
 - **A. Breskin, P. Colas, S. Dalla Torre, T. Geralis, Y. Giomataris, A. Ochi, L. Ropelewski, F. Tessarotto, M. Titov, A. White**
- **Support**
 - **RD51 covers the plane ticket expenses (cheapest flight for the day and destination required issued by CWT-CERN) for all the speakers, a part RD51-MB members, up to a maximum of 10 kCHF per year**

EDUCATION & TRAINING

Send us all the relevant information !!!

from Rob:

- **May 2016, 10 lectures at the Moscow Engineering Physics Institute**
