

Information for Local Transport in Korea (May 2016)

If you arrive in Incheon International Airport (IIA)

- and try to use a domestic airline to Pohang (KPO), you have to go to Gimpo Airport (GMP). You may use a subway or bus to go Gimpo Airport. There are two flights per day by Korean Air:

KE1531 GMP 08:40 > KPO 09:30

KE1533 GMP 17:00 > KPO 19:15

- and use KTX (high speed train) to Pohang, there are two ways: (1) Direct connection from IIA to Pohang (one train per day) and (2) via Seoul station to Pohang. From Pohang Station to POSCO International Center, a taxi is a convenient way. It will take about 30 minutes, and the fare will be about 10,000 Won (~10 USD).

Upon arrival at IIA, follow the sign to go KTX / AREX / Metro platform.
