> Some good advice

Created by Antonia Altrud
from Noun Project

- Please use the provided drying racks to dry your laundry
- Please make sure your rooms are tidy and things are put away before the cleaning service passes. Ask the reception which day this is.
- Be careful with the hotel equipment in general.
- Please respect the general rule of silence after 22h.
- The hotel reception is ready to help you with your invoice at any time (ie after your payments)
- Network connectivity- cabled access possible if needed.
