

Session Program

24-25 Nov 2016

Academia-Industry Matching Event on Superconductivity for Accelerators for Medical Applications

Introductory session

CIEMAT - Madrid
Avenida Complutense 40, 28040, Madrid, Spain

Thursday 24 November

13:30

Introductory session

Session | **Location:** CIEMAT - Madrid, Avenida Complutense 40, 28040, Madrid, Spain

13:30–13:45 **Welcome address**

Speaker

Ramón Gavela (Director Adjunto, CIEMAT)

13:45–14:00 **Welcome address**

Speaker

Fernando Ballesteros (Subdir General de Relac Internac, MINECO)

14:00–14:20 **Accelerators for medical applications**

Speaker

Michael Schillo

14:20–14:40 **Overview of superconductivity and its applications**

Speaker

Teresa Puig

14:40–15:00 **Superconducting technology for next generation accelerators**

Speaker

Lucio Rossi

15:00–15:20 **Question and answer session**

15:20
