

# ChildCare Initiative News

**Cigdem Issever** with input from Pauline Gagnon, Mario Campanelli.

for the **CERN Child Care Initiative (CCCI)**

<https://espace.cern.ch/childcare-initiative/default.aspx>

ChildCare Initiative Meeting, 09.03.2009

---

# New Developments at CERN

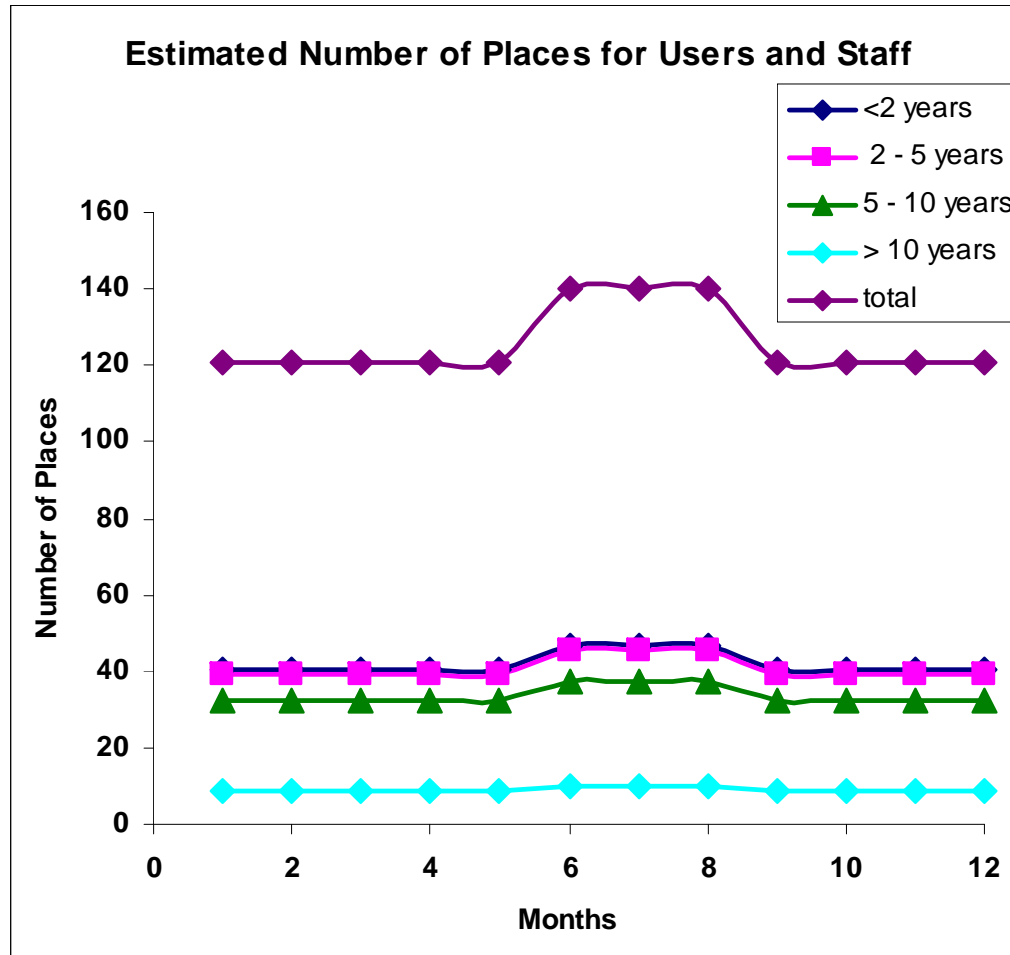

- **Rolf Heuer** new DG
  - Asked for ACCU for a Priority List
  - More inclusive treatment of Users and Staff,
  - Improved infrastructure for Users
- New Equal Opportunities Officer at CERN:
  - **Doris Chromek-Burckhart**
  - Talked to her last week and got very good suggestions
  - She is supporting effort and will help us
- New head of Infrastructure
  - **Thomas Pettersson**
  - Pauline wrote a letter to him and we sent it to him 25/02/2009

---

# ACCU Priority List

- Will be discussed this Wednesday
  1. transport (new cars for users, frequency of navettes)
  2. accommodation (additional beds in hostel, Web booking)
  3. more conference rooms, increase rooms equipped with videoconferencing
  4. increase office space, burotel
  5. **childcare initiative, including help from HR** 
  6. consolidation of general infrastructure
  7. enlarge restaurant(s)
  8. safety and security
  9. library, training
  10. dosimeters and dosimeter distribution
  11. accessing host countries (attestation de fonctions etc.)
  12. access control to the site (contracts, cards, computer accounts, retired users in the area)
  13. computing (using/extend Skype/EVO including phone conf., support from IT for individual users' PCs, common PCs (ex terminals)).
  14. logistics and stores
  15. ombudsperson initiative.

# Number of Places needed

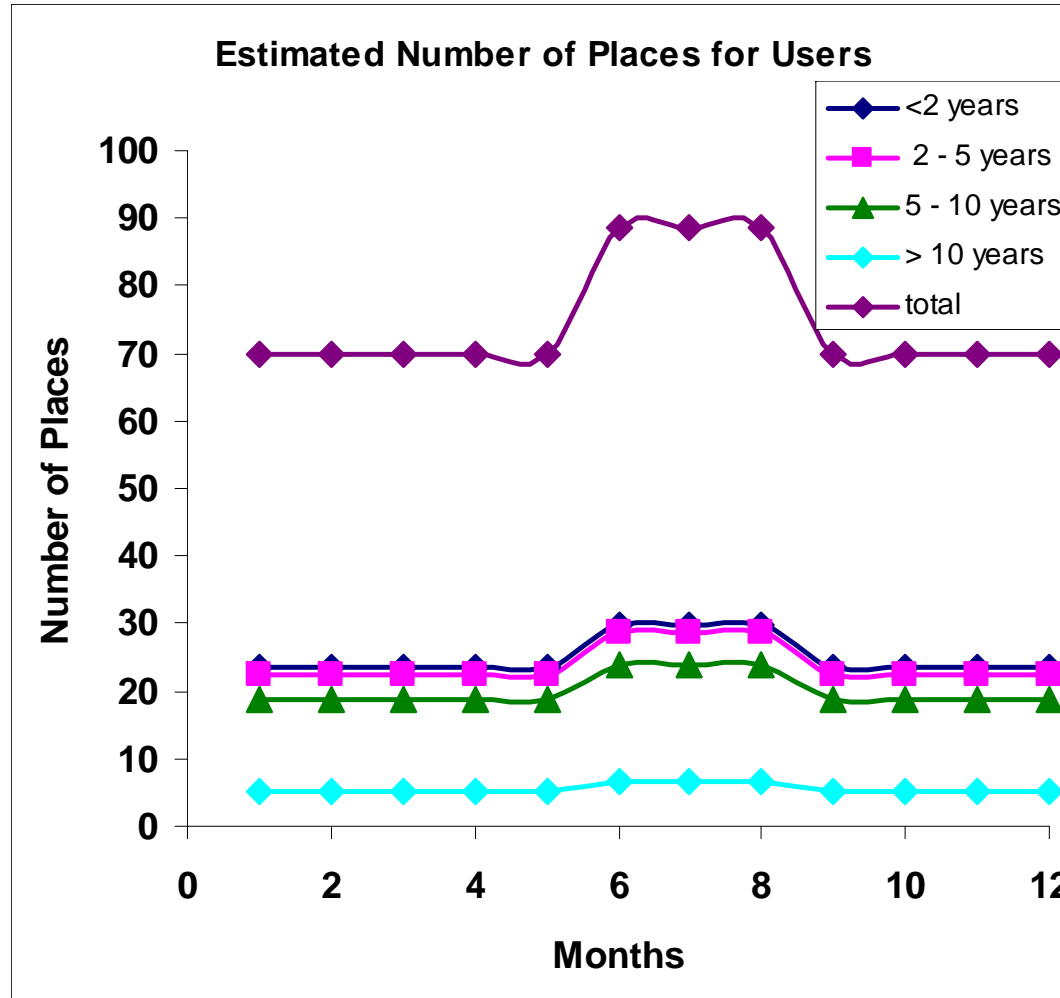

At least 40 places for < 2 years needed!  
Meyrin is not enough

These are lower limits, because survey only reached fraction of parents at CERN.

Redo survey with help of CERN management

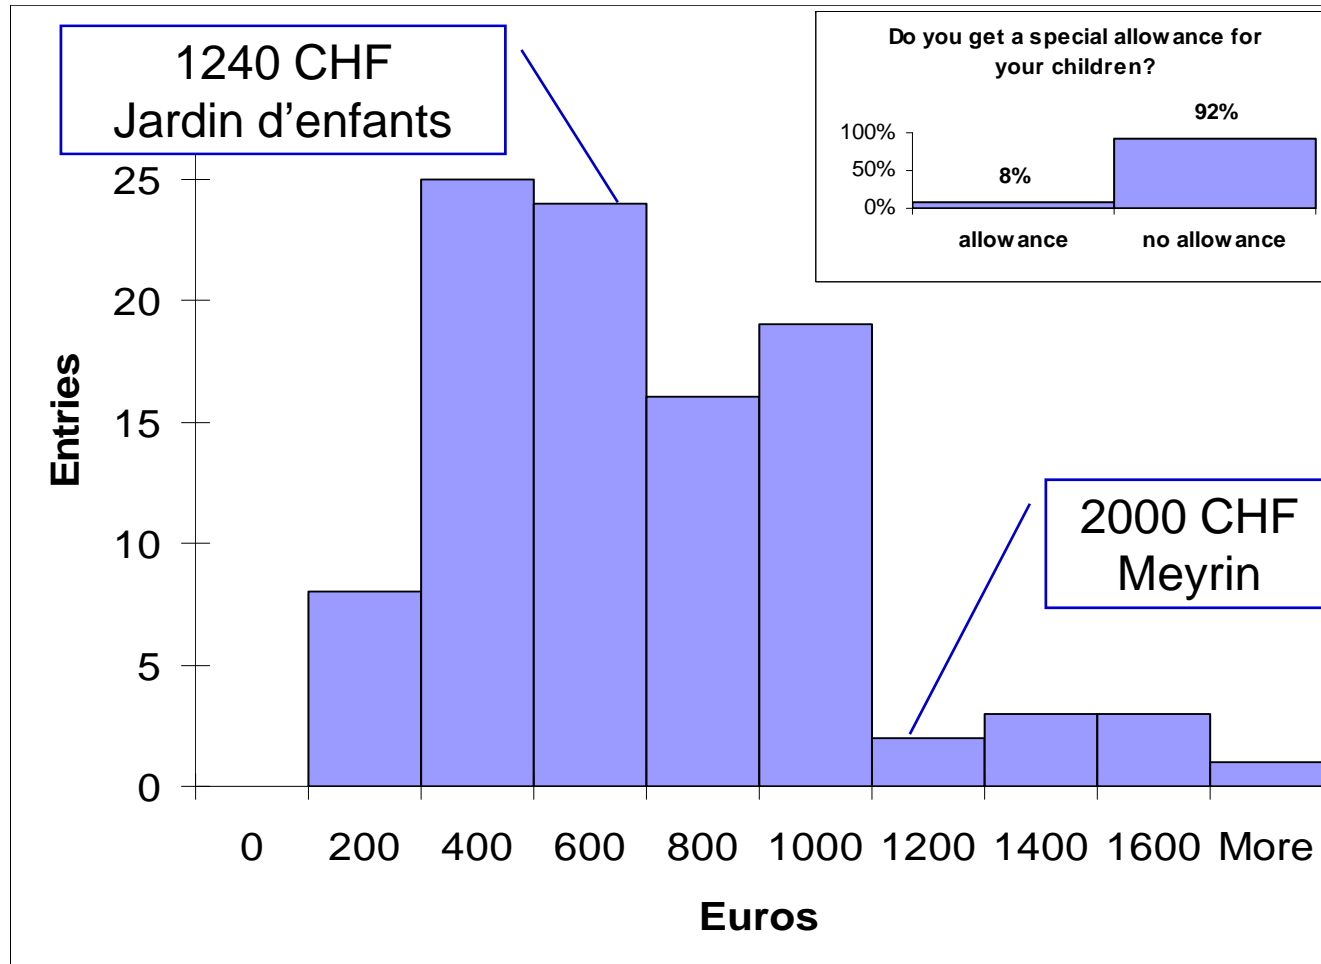

# Number of Places for Users

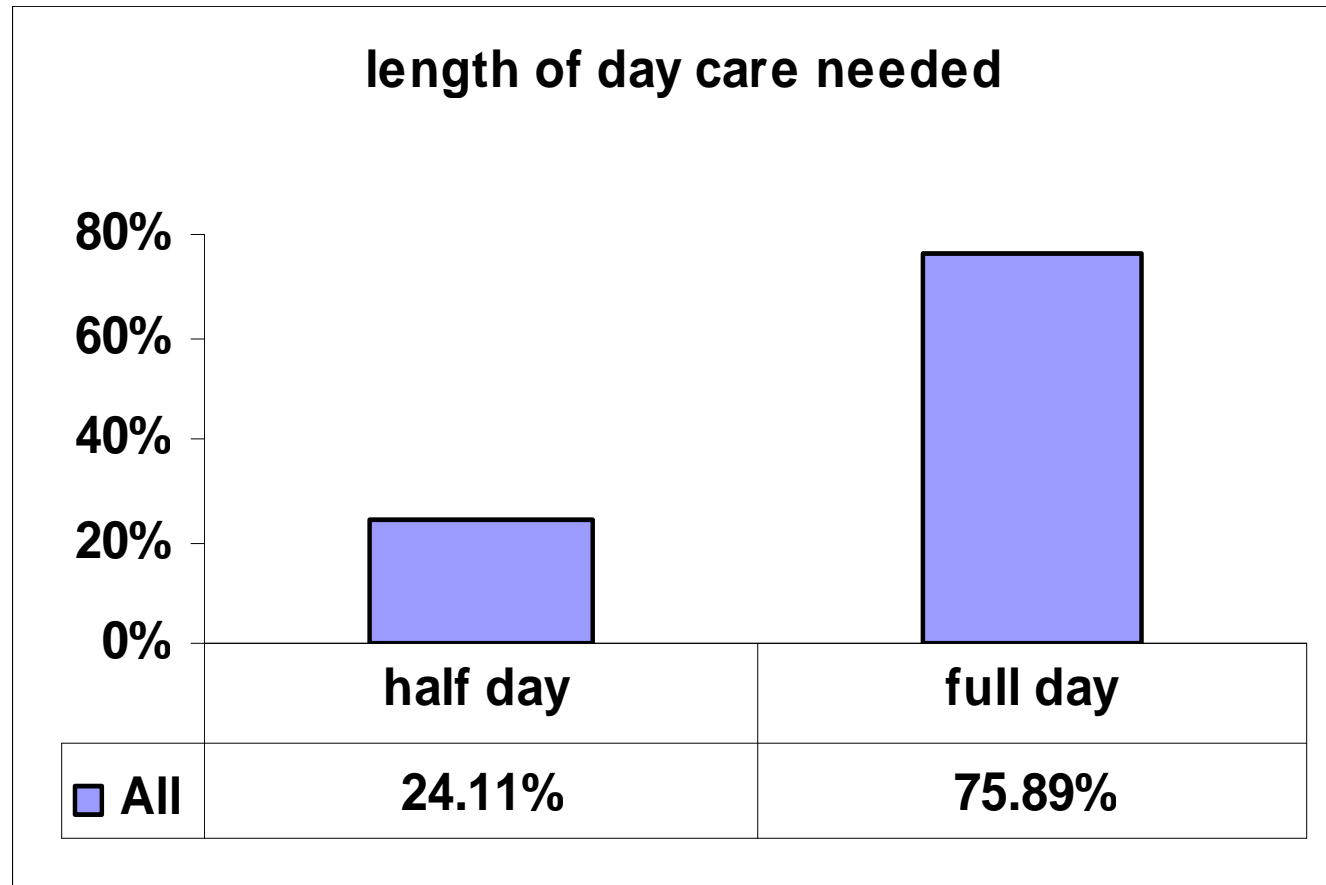

At least 70 – 90  
places needed  
Lower limit!!

Survey reached only  
fraction of parents at  
CERN

# How much Fee/month is affordable?

# Length of Child Care

---

# Draft Proposal for Child Care @ CERN

- Proposal summarizing our demands needs to be written
  - At most 2 pages
- Only the most important four points
- In prioritize list of action points or demands to CERN

## **Preliminary list of action points:**

- 1) More places for under 2 year olds
  - at least 40 needed
  - Full time places
- 2) More places for 2 – 5 year olds
  - need at least 40
  - Full time
- 3) Location at CERN
- 4) Help with costs

---

# Next steps

- Write CC proposal
  - Send it to equal opportunity officer
  - Head of infrastructure
  - ACCU
  - Staff Association
- Get in touch with staff association
- Update Report (e.g. take out Archamps)
- Equal Opportunity officer will follow up ESF funds.....
- Next meeting: 04. May at 16:00 CERN time
