How to deal with non-conformities

Thursday 19 March 2009 15:25 (30 minutes)

•List of non-conformities
•How to solve them? Actions underway?
•How do we track them?
•Implication of non-conformities? Something that stops us to run at 4/5 TeV?

Presenter: POJER, Mirko

Session Classification: Session 4: Powering tests and procedures
