

CHIPP Winter School of Particle Physics 2017

12–17 February 2017

Hotel Rischli, Sörenberg, Switzerland

SCIENTIFIC PROGRAM:

Neutrinos and future facilities | A. Blondel – University of Geneva
Instrumentation | F. Hartmann – KIT
Flavor physics | G. Hiller – TU Dortmund
Collider physics | M. Kado – LAL, Orsay
Cosmic ray physics | T. Montaruli – University of Geneva
Dark matter physics | M. Schumann – University of Freiburg

Poster and discussion sessions

ORGANIZATION:

F. Canelli – University of Zurich

DEADLINE FOR APPLICATIONS:

1 December 2016
