

Dear Colleague,

Our workshop "12-th Polish Workshop on Relativistic Heavy-Ion Collisions: from instabilities to fluctuations", 4-6 November 2016, Institute of Physics, Jan Kochanowski University, Kielce, is approaching fast, so if you are planning to come please, register promptly via

<http://www.ujk.edu.pl/homepages/mryb/12thworkshop/>

This will allow us to estimate the number of participants and make the necessary arrangements. We wish to remind you that during the workshop we will celebrate Stanislaw Mrowczynski's 60th birthday, organizing a special session on Saturday Dec. 5. This year the topics will be influenced by key speakers, with the list including Andrzej Białas, Marek Gaździcki, Mark Gorenstein, Tadeusz Kosztolowicz, Marek Pajek, Jan Rafelski, Anton Rebhan, Ewa Rondio, Bjoern Schenke, Michael Strickland, Wojciech Wiślicki, Kacper Zalewski, and Włodzimierz Zawadzki.

If you would like to present a talk, please, submit an abstract through the web page by October 15. We are collecting a registration fee of 200 PLN (students exempt) to defray some of the local costs. Please, follow the web page for the payment details.

Please, make your own hotel reservations. Our recommendations are:
