

XII Polish Workshop on Relativistic Heavy-Ion Collisions

Sunday 6 November 2016

Session 7 (09:00 - 10:30)

time	[id] title	presenter
09:00	[28] Towards hydrodynamics as an effective theory	Prof. SPALIŃSKI, Michał
09:25	[2] Saturation scale fluctuations and multi-particle rapidity correlations	BZDAK, Adam
09:45	[23] Relaxation rates and phase transitions	JANKOWSKI, Jakub
10:05	[27] Can we describe heavy baryons in terms of a pion mean field?	PRASZALOWICZ, Michał
