

Session Program

17-22 Aug 2016

Playing with Protons CPD Course | Greece 2016

Lectures, Hands-on Workshops and Q&As

CERN

Thursday 18 August

14:00

Lectures, Hands-on Workshops and Q&As

Session | **Location:** CERN, 3179/R-E06

14:00–15:00 **A Concise Introduction to the Universe**

Speaker

Georgios Karananas

15:00–17:30 **Cosmology: Class Experiments and Activities**

17:30–18:30 **Q&A with Asimina Arvanitaki**

Speaker

Asimina Arvanitaki

18:30–20:00 **Study Groups**

20:00

Friday 19 August

14:00

Lectures, Hands-on Workshops and Q&As

Session | **Location:** CERN, 3179/R-E06

14:00–15:00 **Playing with the Universe**

Speaker

Jonathan R. Ellis

15:00–17:30 **Elementary Particles: Class Experiments and Activities**

17:30–18:30 **Q&A with Michael Koratzinos**

Speaker

m Koratzinos

18:30–20:00 **Study Groups**

20:00

Saturday 20 August

14:00

Lectures, Hands-on Workshops and Q&As

Session | **Location:** CERN, 3179/R-E06

14:00-16:00

Particle Physics Workshop for Primary Schools: Enthusing Future Physicists

Speaker

Cristina Lazzeroni

16:00

Sunday 21 August

09:00

Lectures, Hands-on Workshops and Q&As

Session | **Location:** CERN, 3179/R-E06

09:00–11:00 **How Do Scientists Measure Things?**

Speaker

Andromachi Tsirou

Location

CERN, 3179/R-E06

11:00–13:00 **Build LHC Models with Everyday Materials**

Location

CERN, 3179/R-E06

13:00
