

Session Program

27 June 2016 to 1 July 2016

Hadron Structure and QCD - 2016 (HSQCD'2016)

Monday Afternoon

PNPI NRC KI, Gatchina

B.P. Konstantinov Petersburg Nuclear Physics Institute of National Research Centre "Kurchatov Institute", Orlova Roscha 1, Gatchina, Leningrad region, 188300 Russia

Monday 27 June

14:30

Monday Afternoon

Session |

Location: PNPI NRC KI, Gatchina, B.P. Konstantinov Petersburg Nuclear Physics Institute of National Research Centre "Kurchatov Institute", Orlova Roscha 1, Gatchina, Leningrad region, 188300 Russia

14:30–15:00

New approach in separate experimental determination of baryon EM form factors in time-like region

Speaker

Stanislav Dubnicka

15:00–15:30

Proton charge radius and the proton electromagnetic form factors

Speaker

Erik Bartos

15:30–16:00

Chiral imbalance in QCD and QCD inspired models

Speaker

Alexander Andrianov

16:00
