

## **Session Program**

**27 June 2016 to 1 July 2016**

## **Hadron Structure and QCD - 2016 (HSQCD'2016)**

### ***Monday Evening***

PNPI NRC KI, Gatchina

B.P. Konstantinov Petersburg Nuclear Physics Institute of National Research Centre "Kurchatov Institute", Orlova Roscha 1, Gatchina, Leningrad region, 188300 Russia

# Monday 27 June

16:30

## Monday Evening

**Session** |

**Location:** PNPI NRC KI, Gatchina, B.P. Konstantinov Petersburg Nuclear Physics Institute of National Research Centre "Kurchatov Institute", Orlova Roscha 1, Gatchina, Leningrad region, 188300 Russia

16:30–17:00

**Symmetries of massive and massless neutrinos****Speaker**

Young S Kim

17:00–17:30

**Neutrino-4 experiment on search for sterile neutrino with multi-section model of detector****Speaker**

Anatoly Serebrov

17:30
