

Site Status Report for CCNU

Chun-cheng Xu

Institute of Particle Physics

Central China Normal University

Outline

- PC Farm in IOPP@CCNU
- Network Status
- Alice Software installation status

PC Farm In CCNU, Wuhan, P.R.China for ALICE

Physical information of PC Farm

- 56 X 2.8 GHz Intel(R) Xeon(TM) CPUs
- 7 TB hard disk

Network Status

- Now in educational network, kb/s connection to CERN
- Connect to the academic network from Institute of High Energy Physics @Beijing in the future?

Alisoftware installation

- AliRoot installed
- AliEn installed

To do list

- VOBOX needed to be installed
- Speed the connection to CERN
- More machines will be available in the future...
- AliRooting
