## **Raspberry Pi Sensors**

Monday 25 July 2016 10:40 (20 minutes)

Based on questions from the students, I will explain a number of sensors that can easily be used with the Raspberry Pi. I will show how to control GPIO pins, connect an infrared sensor, and to connect a DS180B20 temperature sensor.

Presenter: PURSCHKE, Martin Lothar (Brookhaven National Laboratory (US))

Session Classification: Lecture
