

Session Program

19-25 Mar 2017

Aspen 2017 Winter Conference "From the LHC to Dark Matter and Beyond"

Wednesday Morning Session

Aspen, Colorado USA

Wednesday 22 March

08:00

Wednesday Morning Session: Wednesday Morning Session

Session | Location: Aspen, Colorado USA

08:00–08:20 **Bottom and charm physics at CMS**

Speaker

Kai Yi

08:25–08:45

Recent Results on Beauty and Charm Physics with the ATLAS Detector

Speaker

James William Walder

08:50–09:10

(Some) Flavor Anomalies: Facts and/or Fictions

Speaker

Zoltan Ligeti

09:15–09:45

Coffee Break

09:45–10:05

Heavy flavour physics at LHCb

Speaker

Patrick Haworth Owen

10:10–10:30

Disambiguating New Physics in the Top Sector

Speaker

Jernej F. Kamenik

10:35–10:55

Gravitational Waves Observed by LIGO

Speaker

Alan Weinstein

11:15
