

# Taming Unphysical Scales for Physical Predictions

## Thursday 30 March 2017

### Morning Session: Jets + Top Quark (09:55 - 12:20)

time	[id] title	presenter
09:55	[74] Welcome	MITOV, Alexander
10:00	[57] Scale choices, uncertainties and correlations for jet observables	MALAESCU, Bogdan
10:30	Discussion 20'	
10:50	[58] Scales for single jet inclusive production at the LHC through NNLO	CURRIE, James
11:15	Discussion 20'	
11:35	[59] Scales for differential top-quark pair production through NNLO	MITOV, Alexander Dimitrov
12:00	Discussion 20'
