

# Taming Unphysical Scales for Physical Predictions

## Thursday, March 30, 2017

### Afternoon Session II: Alternative methods to scale setting (4:30 PM - 6:05 PM)

time	[id] title	presenter
4:30 PM	[M2] Optimal choice of factorisation scales for the description of jet production at the LHC	MARTIN, Alan RYSKIN, Mikhail GLOVER, Nigel
4:40 PM	Discussion 10'	
4:50 PM	[M4] BLM/PMC scale setting and its applications to collider physics	BRODSKY, Stanley J.
5:20 PM	[M3] BLM/PMC in top-pair production	MITOV, Alexander CHAWDHRY, Herschel
5:35 PM	Discussion 30'
